Mission of Central Baptist College
Central Baptist College is committed to transforming lives through education that integrates Christian faith and academic excellence in a Christ-centered environment.

PACE and Online Studies Mission Statement
Our non-traditional education programs exist to serve any student who is either unable or prefers not to attend traditional day-time classes. As with all Central Baptist College programs, we are committed to transforming lives through education that integrates Christian faith and academic excellence in a Christ-centered environment.

By God’s grace, we commit to create an environment conducive to exceptional learning. We will staff our classes with exceptional teachers. We will continually assess degree plans, course content and instruction methods. We will help each student overcome degree completion obstacles. We will proclaim the salvation found in Christ, the sovereignty of God and the greatness of His love. To those who commit to furthering their education at Central Baptist College, we will serve them.

PACE….Your time is NOW.

Central Baptist College admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the institution. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other college-administered program or employment except where necessitated by religious tenets held by the institution and its controlling body.

Central Baptist College reserves the right to add, delete, or modify any program, regulation, or policy in this student handbook at any time during the period it is in effect. The proper authorities of Central Baptist College will determine effective dates of changes, and students will be notified immediately of any changes in policy. Other policies can also found in the Catalog located on the Central Baptist College website at cbc.edu.

Attendance at CBC is totally voluntary, and a student may withdraw from the college at any time that he/she feels the obligations are disproportionate to the benefits.

The Central Baptist College PACE and Online Studies Student Handbook is edited and published by the Office of the Dean of Students.
Our History

Central Baptist College is a four-year independent liberal arts college located in Conway, Arkansas. The city of Conway lies in the center of the state and has a population of nearly 60,000, and Faulkner County has a population of nearly 115,000. Conway is known as the “Athens of Arkansas” since two other higher education institutions are also located in this city.

Conway is situated only thirty miles from Little Rock, the capitol of Arkansas, which brings metropolitan advantages. However, despite the closeness to a large, urban city, Conway still maintains the friendliness and security of a small town.

At the annual meeting of the Arkansas Baptist State Convention in 1891, a special committee was appointed to consider the founding of an educational institution for women. Colonel George W. Bruce was appointed the first Chairman of the Board, and property was soon acquired in Conway.

Central College opened in a Baptist church in 1892, while waiting on construction of the Main Building on the beautiful fifteen-acre campus. The purpose of the institution was to train women for efficiency in home, church, business, and society.

Central College flourished for fifty-five years until its demise in 1947. Following its closure, the campus lay dormant for a number of years until it was purchased in 1952. The newly formed Arkansas Missionary Baptist Association purchased the property for $85,000, and Conway Baptist College opened its doors in September 1952 with Dr. D. N. Jackson serving as the first president of the college. The name of the institution was changed in 1962 to its current appellation, Central Baptist College.

From humble beginnings, CBC has grown from approximately two dozen students to more than 800. The number of faculty has increased from five to approximately fifty full-time and part-time instructors. In addition, the curriculum has expanded to include a number of baccalaureate degree programs in areas other than Bible. Much progress has been made.

Although many things have changed since 1952, Central Baptist College still remains committed to its mission and constantly strives to provide a quality education for all its students.

The Camp Robinson Campus

The Camp Joseph T. Robinson Army Post, headquarters for the Arkansas National Guard, is the location for classes for members of the military, and for civilian students who live in the Central Arkansas area, including Lonoke, Pulaski, Saline, and White counties.

Classes are held in classroom and training facilities provided through the partnership between Central Baptist College and the Arkansas National Guard.

There are 34 Arkansas colleges in partnership with the Arkansas National Guard, and Central Baptist College is one of only three institutions that maintain an office on the Camp Robinson facility.

The classrooms at Camp Robinson are located in various buildings on the Post, and most include built-in audio visual equipment.

Students attending classes at the Camp Robinson campus, or any other military sites, need to be aware that CBC has established an excellent reputation with regard to taking care of and maintaining the classroom facilities and equipment provided for our use. We ask that all students be aware of the privilege of utilizing these facilities and do their part in keeping them secure, clean, and free from clutter.

Instructions to Camp Robinson Office, Building 6201

Driving Westbound on I-40 (from Little Rock), take exit 150, the Burns Park exit. Drive to the stop sign (ignore the large highway directions sign for truck and convoy traffic). Turn left at the stop sign, drive a short block, and turn right onto Military Road.

Driving Eastbound on I-40 (from Conway), take exit 150, turn left at the stop sign, and you will be on Military Road.

Military Road will take you directly to the main gate of Camp Robinson. You will cross railroad tracks, MacArthur Drive, pass by the Starlight Diner, go through a neighborhood, and arrive at the gate.

To receive your day pass, park in the area on the right and go inside. You will need your vehicle registration, your current proof of insurance, and your driver’s license. Tell the guard that you are coming to our office, in building 6201, and he will issue your temporary pass. NOTE: You can receive a Student ID from the main campus or Camp Robinson extension campus after you have been registered for classes. However, you will be issued a student ID at the first night of the Orientation class if you are not able to come to either campus before the Orientation class starts. Once you have your student ID you will be able to present this at the main gate to enter. However, always be prepared to show your valid driver’s license, current vehicle registration and proof of insurance if asked for it.

You are entering 6th street as you follow the road to the right. You will see building 6201, the Education Office, almost immediately on your left.

Drive around to the front of the building to park. The PACE Office is located on the corner of 6th and Kansas.

Enrollment Change Policy

NOTE: The time stamp on the withdrawal form will be used to determine withdrawal date.
In order to withdraw from a course, the student must use the online Withdrawal Form located on the CBC website. It is not the responsibility of the instructor nor of the PACE office to make the contact for the student.

At the time of withdrawal from a course, a student must provide written confirmation of their intent to return and attend a future block in that semester/payment period. That future block must be within 45 calendar days of the end of the block they ceased attending.

If intent to return is not provided, the student will be considered to have withdrawn from all of their courses within the semester/payment period. The date of the intended return can be changed, but the student must do so prior to the original return date. If the student does not return as indicated, they become a program withdrawal retroactively back to their initial withdrawal date. Changes of this nature can greatly affect the student’s federal loans and grants.

The Central Baptist College refund policy for the PACE program is as follows:

Up to the close of business the day of the first class meeting
- Course will be removed from the student’s registration
- Full tuition reversal
- Specific Course fees non-refundable

After the first class meeting and before the second class meeting
- “W” will be posted on the transcript
- 50% reversal of tuition
- Specific Course fees non-refundable

After the second class meeting, before the fourth class meeting
- “W” will be posted on the transcript
- NO tuition reversal
- Specific Course fees non-refundable

After the fourth class meeting, before the fifth class meeting
- “WP” or “WF” will be assigned by the instructor and posted on the transcript
- No tuition reversal
- Specific Course fees non-refundable
Withdrawal from the PACE Program
In order to withdraw completely from the PACE Program, either temporarily or permanently, a student must submit a Withdrawal Form. This form is available on the PACE page of the CBC website and can be submitted electronically.

Re-Admission into the PACE Program
In order to re-enter the PACE Program after being out for a semester or more, a student must submit a Re-Admit application available on the CBC website. Click on APPLY NOW and follow the directions.

Grade Appeal Policy
If a student believes an error in grade has occurred, the student shall formally initiate a review of the grade no later than three weeks after the beginning of the next semester. It is the student’s responsibility to verify with the instructor the accuracy of the recorded scores and the final reported grade as the first step of the process. If the grade differences have not been resolved through discussion with the instructor, and the student seeks additional mediation, the student should contact the chair of the department. If the instructor is also the chair of the department the student needs to begin with step 1 below. If the matter is not resolved after meeting with the department chair, the student may initiate a formal appeal process.

The following procedures must be followed to make a formal grade appeal:
1. The student must submit a grade appeal letter to the Vice-President for Academic Affairs within two weeks of meeting with the department chair. The letter should explain the reason for the appeal, citing specific examples which support the grievance.
2. The Vice President for Academic Affairs will give a copy of the student’s letter to the instructor and ask him or her to prepare a written response to the grievance.
3. The Academic Affairs Committee will review both letters and make a decision regarding the grade appeal. In some cases, the student and/or the instructor may be asked to make statements and/or answer questions. A final written decision will be given to the student, instructor, and Registrar.

Graduation
CBC holds one graduation ceremony each year in May. A student may participate in the ceremony if he/she lacks no more than 7 credit hours to complete his/her degree requirements. Beginning in December prior to May graduation, students should contact the Registrar’s office to ask for a degree audit. The degree audit will determine if the student will be eligible for May graduation. Eligible students must complete a graduation application and submit it by February 1st prior to the May graduation.

A graduation fee of $85 must be submitted with the application. This fee will purchase the cap, gown, diploma, diploma cover, and 20 announcements. If a student does not participate in the graduation ceremony, the graduation fee is $45.

Everyone is encouraged to participate in the graduation ceremony.

If students are taking classes at another institution and the student requests that institution to certify benefits, the courses need to be approved by CBC and a letter has to be submitted to that college’s VA certifying official. The Registrar’s Office will need the name of the course and the specific college. CBC will be the PARENT COLLEGE, and any other is a SUPPLEMENTAL COLLEGE. Make sure that the other institution understands this.

It is the STUDENT’S responsibility to notify the VA Certifying Official each semester for certification AND ANY CHANGES IN REGISTRATION. For more information about Veterans benefits go to www.gibill.va.gov.
Online Studies Academic Standards, Policies and Procedures

Understanding Online Classroom

Online classes at Central Baptist College are offered via the Internet through WebStudy, a course management system. These courses can be accessed 24 hours a day, seven days a week. Students in an online course generally learn material by viewing PowerPoint presentations, studying lecture notes, listening to audio or video recordings, and participating in asynchronous or synchronous discussions.

The following is a general outline. A three hour (five week) course consists of approximately eight sessions – Welcome session, course material session, session one to five, and evaluation session. In the first two sessions (Welcome and/or course materials), students will find important information about the course and vital course documents (syllabus, etc.). The instructional course work is found in sessions one to five. The instructor might have a pre-session where he or she will assign reading material or homework to be completed before the first day of the course (session one). Session dates are listed in the syllabus or Webstudy.

In each session, students are expected to actively participate in forum discussions. Students should be aware that assignments, quizzes, and exams will have specific due dates within the course. If the student misses a deadline, he or she could be penalized or receive a zero.

Online Attendance Policy

Regular attendance in the virtual classroom is expected throughout the course. It is vitally important for students to complete an initial Course Checklist by 11:59pm CST of the 3rd day of the course. Furthermore, students are expected to actively participate by submitting an academic assignment (such as participating in a discussion board post, an examination, written paper or project) in the course. Those who do not complete the check list and fail to actively participate within the first 7-days of the course will be administratively withdrawn from the course and receive a “W” with 50% tuition reversal for the course.

Enrollment Change Policy

NOTE: The time stamp on the withdrawal form will be used to determine withdrawal date.

Students may request a free copy of his/her transcript by submitting a “Transcript Request Form” which is available on our website (www.cbc.edu). To navigate on our webpage to retrieve the form: click on Quick Links in upper right hand corner, Request a Transcript, Transcript Request pdf.

This form may be submitted in person to the Registrar’s office in the Watkins Academic Building, or faxed to 501-329-2941, or mailed to the following address:

Central Baptist College  
ATTN: Registrar’s Office  
1501 College Avenue  
Conway, AR 72034

All financial obligations and/or administrative obligations must be met in order for a transcript to be released. Partial transcripts are not allowed.

Online Veterans Benefits

Students wishing to be certified for Veteran’s Benefits should contact the VA Certifying Official in order to verify the office has all required documentation for certification of classes.

If students are taking classes at another institution and the student requests that institution to certify benefits, the courses need to be approved by CBC and a letter has to be submitted to that college’s VA certifying official. The Registrar’s Office will need the name of the course and the specific college. CBC will be the PARENT COLLEGE, and any other is a SUPPLEMENTAL COLLEGE. Make sure that the other institution understands this.

It is the STUDENT’S responsibility to notify the VA Certifying Official each semester for certification AND ANY CHANGES IN REGISTRATION. For more information about Veterans benefits go to www.gibill.va.gov.
This policy applies to any and all student experiences in which academic credit is involved.

1. Academic Integrity

Because academic integrity is a cornerstone of an institution’s commitment to the principles of free inquiry, students are responsible for learning and upholding professional standards of research, writing, assessment, and ethics in their areas of study. In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. Written or other work which students submit must be the product of their own efforts and must be consistent with appropriate standards of professional ethics. Academic dishonesty, which includes cheating, plagiarism and other forms of dishonest or unethical behavior, is prohibited.

A breakdown of behaviors that constitute academic dishonesty is presented below. The definitions and clarifications are meant to provide additional information and examples of these behaviors. They are not intended to be all-inclusive. Questions regarding this policy or requests for additional clarification can be directed to the Dean of Students.

2. Academic Dishonesty includes:

A. Cheating on Examinations

Definition:

Cheating is using or attempting to use materials, information, notes, study aids, or other assistance in any type of examination or evaluation which have not been authorized by the instructor.

Clarification:
1. Students completing any type of examination or evaluation are prohibited from looking at another student’s materials and from using external aids of any sort (e.g., books, notes, calculators, and conversation with others) unless the instructor has indicated specifically in advance that this will be allowed.

2. Students may not take examinations or evaluations in the place of other persons. Students may not allow other persons to take examinations or Evaluations in their places.

3. Students may not acquire unauthorized information about an examination or evaluation and may not use any such information improperly acquired by others.
B. Plagiarism

Definition:

Plagiarism is intentionally or carelessly presenting the work of another as one’s own. It includes submitting an assignment purporting to be the student’s original work which has wholly or in part been created by another person. It also includes the presentation of the work, ideas, representations, or words of another person without customary and proper acknowledgement of sources. Students must consult with their instructors for clarification in any situation in which the need for documentation is an issue, and will have plagiarized in any situation in which their work is not properly documented.

Clarification:

1. Every direct quotation must be identified by quotation marks or appropriate indentation and must be properly acknowledged by parenthetical citation in the text or in a footnote or endnote.
2. When material from another source is paraphrased or summarized in whole or in part in one's own words, that source must be acknowledged in a footnote or endnote, or by parenthetical citation in the text.
3. Information gained in reading or research that is not common professional knowledge must be acknowledged in a parenthetical citation in the text or in a footnote or endnote.
4. This prohibition includes, but is not limited to, the use of papers, reports, projects, and other such materials prepared by someone else.

C. Fabrication, Forgery, and Obstruction

Definition:

Fabrication is the use of invented, counterfeit, altered or forged information in assignments of any type including those activities done in conjunction with academic courses that require students to be involved in out of classroom experiences.

Forgery is the imitating or counterfeiting of images, documents, signatures, etc.

Obstruction is any behavior that limits the academic opportunities of other students by improperly impeding their work or their access to educational Resources.

Clarification:

1. Fabricated or forged information may not be used in any laboratory experiment, report of research, or academic exercise. Invention for artistic purposes is legitimate under circumstances explicitly authorized by an instructor.
2. Students may not furnish to instructors fabricated or forged explanations of absences or of other aspects of their performance and behavior.

3. Students may not furnish, or attempt to furnish, fabricated, forged or misleading information to officials of the institution or to agencies in which students are fulfilling academic assignments.

4. Students may not steal, change, or destroy another student’s work. Students may not impede the work of others by the theft, defacement, or mutilation of resources so as to deprive others of their use.

D. Multiple Submission

Definition:

Multiple submission is the submission of the same or substantially the same work for credit in two or more courses.

Multiple submissions shall include the use of any prior academic effort previously submitted for academic credit at this or a different institution.

Multiple submissions shall not include those situations where the prior written approval by the instructor in the current course is given to the student to use a prior academic work or endeavor.

Clarification:

1. Students may not normally submit any academic assignment, work, or endeavor in more than one course for academic credit of any sort. This will apply to submissions of the same or substantially the same work in the same semester or in different semesters.

2. Students may not normally submit the same or substantially the same work in two different classes for academic credit even if the work is being graded on different bases in the separate courses (e.g., graded for research effort and content versus grammar and spelling).

3. Students may resubmit a prior academic endeavor if there is substantial new work, research, or other appropriate additional effort. The student shall disclose the use of the prior work to the instructor and receive the instructor’s permission to use it PRIOR to the submission of the current endeavor.

4. Students may submit the same or substantially the same work in two or more courses with the prior written permission of all faculty involved. Instructors will specify the expected academic effort applicable to their courses and the overall endeavor shall reflect the same or additional academic effort as if separate assignments were submitted in each course. Failure by the student to obtain the written permission of each instructor shall be considered a multiple submission.
E. Complicity

Definition:

Complicity is assisting or attempting to assist another person in any act of academic dishonesty.

Clarification:

1. Students may not allow other students to copy from their papers during any type of examination.

2. Students may not assist other students in acts of academic dishonesty by providing material of any kind that one may have reason to believe will be misrepresented to an instructor or other official.

3. Students may not provide substantive information about test questions or the material to be tested before a scheduled examination unless they have been specifically authorized to do so by the course instructor. This does not apply to examinations that have been administered and returned to students in previous semesters.

F. Misconduct in Research and Creative Endeavors

Definition:

Misconduct in research is serious deviation from the accepted professional practices within a discipline or from the policies of the institution in carrying out, reporting, or exhibiting the results of research or in publishing, exhibiting, or performing creative endeavors. It includes the fabrication or falsification of data, plagiarism, and scientific or creative misrepresentation. It does not include honest error or honest disagreement about the interpretation of data.

Clarification:

1. Students may not invent or counterfeit information.

2. Students may not report results dishonestly, whether by altering data, by improperly revising data, by selective reporting or analysis of data, or by being grossly negligent in the collecting or analysis of data.

3. Students may not represent another person’s ideas, writing or data as their own.

4. Students may not appropriate or release the ideas or data of others when such data have been shared in the expectation of confidentiality.

5. Students may not publish, exhibit, or perform work in circumstances that will mislead others. They may not misrepresent the nature of the material or its originality, and they may not add or delete the names of authors without permission.
6. Students must adhere to all federal, state, municipal, and university regulations for the protection of human and other animal subjects.

7. Students may not conceal or otherwise fail to report any misconduct involving research, professional conduct, or artistic performance of which they have knowledge.

3. Sanctions for Violations of the Policy on Academic Integrity

In cases involving violation of the Policy on Academic Integrity, determination of the student’s grade and status in the course are made by the instructor. The instructor’s determination made through informal proceedings can be appealed by the student to the Academic Affairs Committee.

4. Process for Handling an Alleged Violation of this Policy

A. Informal Proceedings

Conference with the Student

A conference between the student and the instructor is the first, and may be the only, step in addressing alleged violations of the Policy on Academic Integrity.

If an instructor has reason to believe that a student has committed a violation of the Policy on Academic Integrity, the instructor will contact the student within a reasonable period of time to notify the student of the suspected violation of the Policy on Academic Integrity and to either discuss the matter with the student or set up an informal meeting between the student and instructor. The student has the right to decline to talk about the matter with the instructor until they have a meeting. Any meeting shall take place as soon as possible after the discovery of the alleged violation; however, it is understood that having a conference with a student may not always be possible before grades are due.

At any meeting, the instructor will inform the student of the details of the alleged violation and will give the student a copy of the Academic Integrity Policy. It will be the responsibility of the instructor to present evidence of the alleged violation of the policy. The student will be provided the opportunity to respond to the allegation and may explain any suspected or alleged misconduct by presenting evidence, giving additional information relevant to the matter, explaining extenuating or mitigating circumstance, or acknowledging a violation.

If the student declines to discuss the matter or attend a meeting with the instructor, or is unavailable for more than ten (10) business days, the instructor shall make a determination as to whether a violation of this policy has occurred and what the appropriate sanction will be.

If, after completing the above process, the instructor believes there is a preponderance of evidence that the student violated the Academic Integrity Policy, the instructor may make an admonition to the student (i.e., an oral statement that the student has violated the policy) or impose one or more of the following:
a. Warning

A written notice that the student has violated the Academic Integrity Policy and that further violation may result in additional sanctions.

b. Revision of Work

A requirement that the student revise or replace the work in which the violation of the Academic Integrity Policy occurred. The instructor may assign a deferred grade pending the replacement or revision of the work.

c. Reduction in Grade

The grade on the assignment or in the course may be lowered.

d. Dismissal from Class

The instructor may choose to withdraw the student from the course.

e. Additional Disciplinary Sanctions (Formal Proceedings)

In addition to the above sanctions, an instructor may refer the matter to the Dean of Students to seek additional disciplinary sanctions if the situation appears to warrant it.

When an instructor decides to impose any sanction(s) the instructor will notify the student of this decision in writing by mailing a letter to the student, sending it via email, or delivering it personally to the student. If the notice is mailed, it will be deemed received two (2) days following the date the notice is posted at facilities of the United States Post Office. The day the notice is emailed or given to the student shall be deemed the date the notice is received. A faculty member will make a copy of this letter to submit to the Dean of Students to be placed in the student’s file.

Instructors are encouraged to report incidents of violations of this policy and any sanctions they have imposed to their department chairs and the Vice President for Academic Affairs; however, they are required to report any violations to the Dean of Students. The Dean of Students will document the incident, maintain a file, and may initiate formal proceedings for disciplinary action against the student.

The Dean of Students will maintain a confidential file on students for one (1) year after they graduate or have not been enrolled at the institution for a period of three (3) years. If students are suspended, the records are maintained for one (1) year after graduation or five (5) years after last enrollment. If students are dismissed, records are maintained indefinitely.

Failure to appeal a sanction after an informal conference with an instructor constitutes acknowledgement that the student violated the Policy on Academic Integrity.
Appeal of an Informal Proceeding

A student sanctioned for violation of the Academic Integrity Policy may appeal the instructor’s decision that a violation of the policy has occurred, and / or the sanction.

The student should consult with the instructor’s department chair about the sanction. If the department chair is unable to resolve the issue to the student’s satisfaction or the department chair is the student’s instructor and is connected to the dispute, the student should contact the Vice President for Academic Affairs to begin the process of filing an appeal with the Academic Affairs Committee.

The appeal must be submitted in writing to the Vice President for Academic Affairs not later than ten (10) business days after the student has been notified of the instructor’s decision. An appeal not made within the time limit will not be heard unless an exception is made by the Vice President for Academic Affairs.

An appeal is made by addressing a written statement of appeal to the Academic Affairs Committee and submitting it to the Vice President for Academic Affairs within the time limit. The written statement of appeal must include the following information: the name of the person appealing, the name of the instructor involved in the dispute, the name of the course, the basis of the appeal, and the remedy which the person appealing is requesting from the Academic Affairs Committee.

The Vice President for Academic Affairs will give a copy of the student’s appeal letter to the instructor and ask him/her to provide a written response to the grievance.

As soon as practical, the Vice President for Academic Affairs will convene a meeting of the Academic Affairs Committee to consider the appeal. The committee will receive a copy of the appeal letter and a copy of the instructor’s response for consideration. Neither the instructor nor the student shall attend the meeting unless invited by the committee for further questioning.

The purpose of the appeals committee is to decide if the findings of the instructor were so incorrect that the decision should be changed. It is not the function of the appeals committee to re hear the charges against the student; it is an appeal of the findings of the instructor. The appeals committee may reach the following outcomes:

Find that there are not sufficient facts presented to warrant the findings of fact made by the instructor and ask the instructor to set aside or change the sanctions against the student.

Find that there are sufficient facts presented to warrant the findings of fact made by the instructor and uphold the sanctions against the student.

The decision by the Academic Affairs Committee will be final, and a written resolution letter will be sent via email or mail to the student and instructor.

A copy of the resolution letter will also be submitted to the Dean of Students for inclusion in the student’s file.
B. Formal Proceedings

If the instructor believes that a student has violated the Academic Integrity Policy and that the violation is sufficiently serious, the instructor may refer the case to the Dean of Students for the consideration of additional sanctions. The following procedures will be followed:

1. As part of the letter notifying the student of the sanction(s) resulting from the informal meeting, the instructor will inform the student that formal proceedings by the Dean of Students are being requested.

2. The instructor will forward all documentation supporting the allegation of violation to the Dean of Students with a cover letter describing the situation. Examples of documentation include the course syllabus, quiz or exam, assignment, source of plagiarism.

3. The Student Planner and Handbook will govern the sanctions which can be imposed and the appeal process.

4. The Dean of Students will determine if additional sanctions are warranted and will notify the instructor of his/her determination.

5. This sanction will be recorded on the student's permanent disciplinary record, subject to release only under the terms of the Family Educational Rights and Privacy Act.

The Dean of Students can also initiate formal proceedings against the student without an instructor’s request if there has been more than one violation of the Policy on Academic Integrity.

Financial Aid Policies & Procedures

Student Application for Financial Aid

1. Complete FAFSA. (CBC School Code: 001093)
   
   On-line at www.fafsa.ed.gov
   
   Contact the Central Baptist College Financial Aid Office at financialaid@cbc.edu or by phone at 501-205-8911. At the minimum provide your full name, date the application was completed, current mailing address and email address, if different than addresses listed on the FAFSA.

2. Your FAFSA may be randomly selected by the US Department of Education for a process called verification. If you are selected for verification, we will notify you by email letting you know the documents you are required to complete and return to our office. Your financial aid cannot be processed until all documents have been received and the verification documents have been reviewed by our office.

3. The Financial Aid Office will be notified by the Registrar’s Office once the student’s courses have been registered then packaging will be completed and an award letter will be mailed to the student at the email address listed on the FAFSA.

4. After receiving an award letter and a progress policy, students should accept or reject any aid, sign, and return to the financial aid office immediately. Your financial aid will not be officially considered until the award letter and progress policy are returned to the Financial Aid Office.

5. If you accept loans, please follow the instructions on the page included with your award letter and progress policy. Please complete the Master Promissory Note AND the Entrance Counseling online at https://studentloans.gov. You will need your FAFSA PIN number to complete these steps. When you have completed these, we will receive an electronic notification and we will certify your loans. Note: We cannot post student loans to your Financial Aid Transcript until BOTH of these steps have been completed.

6. Loans: Federal Direct Student Loans will be disbursed after the third week of the student’s second course of the semester. Students must be enrolled in at least six hours within a semester in order to be eligible to receive student loans. The total award amount for the academic year must be disbursed to the student in two payments as required by federal law. If attending in both the fall and spring semesters, a student will receive one disbursement in the fall and one disbursement in the spring. If attending in only one semester during the academic year, the loan amount for that semester will be disbursed to the student in two payments, the second of which must be after the mid-point of the semester. Disbursement of loan funds means that the loan amount is applied to the student account. If, at that time, the balance is covered in full and a credit balance is created, the student will be notified by the business office that a refund of the credit amount is available for the student. Once a student has received a refund payment of the credit amount, IF they withdraw from any courses that would cause them to have less than 6 hours within that semester, they will no longer be eligible for student loans in that semester and will have to return the loan funds to the school in order for the school to return the funds to the Department of Education.
7. **Pell Grant:** Pell funds will be disbursed after the third week of the student’s second course of the semester. Pell disbursements will be processed based on the total number of hours in which a student has enrolled at the beginning of each semester. If a schedule change is made which results in a fewer number of total hours for the semester, the Pell award amount must be adjusted accordingly. If a student withdraws from a course before attending any class meetings, the Pell award amount must be decreased. If a student withdraws from a course after attending at least one class meeting, there will be no change to the Pell award amount.

Once a student has received a refund payment for a credit amount on their account, **IF** they withdraw from any courses that would cause the Pell amount to be decreased within that semester, they have to return the difference in the award amount to the school in order for the school to return the funds to the Department of Education.

Students will be notified by the Business Office when a refund check is available for pick up. See page 23 for the complete refund policy. **Please note:** The “disbursement date” is the date the amount is applied to your account. **It is NOT** the date the refund check will be available.

8. If you have taken out loans, you must complete an Exit Interview when leaving our institution. This includes graduation, transferring to another institution, or discontinuing your education. To complete the Exit Interview, follow these steps:
   - Go to www.studentloans.gov.
   - Log in using your SSN, date of birth and FAFSA PIN number.
   - Select “Complete Counseling”, and then select “Exit Counseling”.
   - Once completed, you will instantly be emailed your Exit Counseling confirmation. Please forward this confirmation to the financial aid office at financialaid@cbc.edu.
   - If graduating, students will not be allowed to receive their diploma until Exit Counseling is complete.

9. **Arkansas Academic Challenge Scholarship:** Students must complete the YOUniversal Application on the Arkansas Department of Higher Education (ADHE) website (www.adhe.edu) and summit all required documents by June 1st in order to qualify for grants and or scholarships for the following academic year. Students applying must also complete the FAFSA. The CBC Financial Office will verify enrollment for students that are awarded an Arkansas Academic Challenge Scholarship after the 11th day of the semester. ADHE will then send the scholarship funds to CBC for disbursement to the student account. **NO EXCEPTIONS WILL BE MADE!**
Federal Student Aid Satisfactory Academic Progress Policy

Federal and State regulations require all schools participating in state and federal financial aid programs to have a Standard of Satisfactory Academic Progress (SAP). The standard will be applied to all applicants and recipients of financial aid as a determination of eligibility. These standards are applicable to all students whether they are eligible for the Title IV funding or not. This standard requires an evaluation schedule, a quantitative standard (pace of completion), a maximum time frame, and a qualitative standard. CBC will review SAP annually following the spring semester.

**Quantitative Requirement**

1. **Pace of Completion** – Students must successfully complete at least 67% of the hours attempted. Successfully completing attempted hour’s means earning a letter grade of D or higher. Some courses may have a specific passing grade requirement. In such cases, the student must earn the specified grade to be considered to have successfully completed the hours. A student may take a class for grade forgiveness, but until the new grade is posted after a subsequent semester, for the purpose of Satisfactory Academic Progress, the financial aid office will use the existing grade.

2. **Maximum Time Frame** – Federal regulation states that the maximum allowable time frame to complete a degree is 150% of the published length of the educational program. For example, students enrolled in a degree program requiring 124 credit hours are eligible to receive Title IV aid for a total of 186 attempted credit hours.

**Qualitative Requirement**

Satisfactory academic progress is also monitored through a student’s grades.

<table>

<tr>

<tbody>
<tr>
<td>1 – 29 total hours (Freshman status)</td>

<td>1.75 cumulative GPA</td>
</tr>
<tr>
<td>60 or more total hours (Junior + status)</td>
<td>2.0 cumulative GPA</td>

A Grade Point Average of 2.0 is equivalent to a C average.

Remedial classes will be counted towards the 150% maximum allowable timeframe AND will be considered in the review of SAP.

The complete Satisfactory Academic Progress Policy can be found on our website under Financial Aid. Anyone accepting federal student aid is required to submit a signed copy of this policy each year. Your federal aid will not be applied to your account or disbursed without this signed policy.
Payment Policies & Procedures

Tuition and Fee Payment Policy

Payment Arrangements
Effective July 1, 2011, all students must contact the Business Office at least 10 business days prior to the start of the first course of the semester to verify formal payment arrangements for the total amount of tuition and fees for the semester. Payment arrangements can include individual payment plans, military tuition assistance, federal student loans or grants, state, local or other scholarships and grants. Any amount not covered by these other sources must be paid or have an approved payment plan before the first course of the semester begins. Payments can be made by cash, check, or credit card (Visa, MasterCard, and Discover and American Express).

Federal Financial Aid (Pell Grants, Federal Direct Loans)
Students receiving federal financial aid must have completed all of the following required steps in order for their aid to be finalized and for it to be considered as a formal payment arrangement.

- Return signed Financial Aid Award Letter to the Financial Aid Office
- Return signed Satisfactory Academic Progress Policy to Financial Aid Office
- If taking Federal Direct Loans:
  1. Complete Student Loan Entrance Counseling
  2. Complete Master Promissory Note

NOTE: If withdrawal of a course occurs, federal financial aid can be affected and be reduced. The student would then be responsible for any balance created by the reduction of the aid amount and must return any federal aid that may have already been disbursed him.

State Scholarships or Grants
State scholarships or grants will not be considered as a formal payment arrangement until the Financial Aid office receives confirmation from ADHE (Arkansas Department of Higher Education) that a student will be receiving that aid. Confirmation from ADHE must be official correspondence from the ADHE website or student profile account or the official aid roster submitted to CBC from ADHE.

Employer Reimbursement
Students whose employer will pay the entire cost of education must submit a letter on company letterhead to the Business Office no later than 5 business days prior to the start of the first course of the semester stating that the company will pay, upon registration, all expenses for the employee. The letter must show the name of the student and detail how the funds will be disbursed to the college. If the employer pays once the course has been completed, the student will be required to pay for courses and will be reimbursed once employer pays.

Tuition Assistance (TA)
Students who are military personnel and are using Tuition Assistance (TA) as payment:

- Are required to submit their TA Approval Form at least 5 business days prior to the start of the course.
- Are responsible for course costs not covered by TA.
- Must pay course costs not covered by TA up front on a per course basis.

Central Baptist College reserves the right to withdraw a student from classes and not allow future attendance if the student's account is not paid in full. NO STUDENT WILL BE ALLOWED TO ATTEND CLASS UNTIL PAYMENT ARRANGEMENTS HAVE BEEN MADE WITH THE BUSINESS OFFICE.
Federal Regulations in Regard to Withdrawals from Courses

According to federal regulations, institutions are required to do a “Return of Title IV Funds” calculation for a student that completely withdraws from a program in order to determine if any of the Title IV funds should be returned to the Department of Education. In October of 2010, these new rules were introduced concerning this procedure for programs offered in modules. Our PACE Program falls into this category. Our block schedule is a module program. Following are the federal guidelines:

- **A student is considered to be a program withdrawal** if they do not complete all days they are scheduled to complete within the semester.
  - School must document that the student completed all courses with a passing grade
  - If no passing grade in last scheduled course, school must demonstrate whether or not the student completed the period

- **Student is not considered a program withdrawal** if:
  - They provide written confirmation of intent to attend a future block in the semester/period of enrollment
    - This must be provided at the time of withdrawal.
    - Student may change the return date in writing if they provide the change prior to the original return date.
  - The future block is scheduled to begin within 45 calendar days (not including weekends or a holiday period longer than 5 consecutive days). The 45 days is measured from the end of the block they ceased attending.

- If the student does not return as indicated, they become a withdrawal retroactively back to their initial withdrawal date. The withdrawal date and days of attendance will be determined as if confirmation of future attendance was never provided.

- A withdrawn student may return to the same program prior to the end of the payment period. The student would be eligible for any Title IV funds for which they were eligible prior to the withdrawal.

- **Total calendar days include all days on which the student was scheduled to attend**
  - Days of completed courses count if course does not span the length of term
  - Scheduled breaks of at least 5 consecutive days are excluded when the student is not scheduled to attend a module or other course offered during that period.
  - For a withdrawn student who has made schedule changes, days of courses officially dropped prior to complete cessation of attendance are not counted.

Refund Policy

Enrollment Change Refunds: For information on a refund of tuition and fees for enrollment changes, please see either the PACE or Online Academic Standards, Policies & Procedures section of the handbook.

Financial Aid Refunds: Students whose financial aid exceeds their expenses each semester are entitled to a refund of the excess money. Students will be notified by the Business Office when financial aid is posted to their account. If the financial aid produces a credit balance on the student account, the student will be notified. Students who wish to leave the credit balance on their account must notify the Business Office in writing. Financial aid which results in a credit balance must be received in the Business Office by Tuesday of each week to produce a refund check on Friday. Refund checks are distributed on Friday’s only. Students will receive an email from the Business Office when their refund check is available to pick up.
Refund Policy for Students Called to Active Military Service

A student who withdraws from Central Baptist College as a result of being called to active duty in the military service of the United States or the Arkansas National Guard will have his/her charges adjusted in the following manner. All tuition and fees collected in advance will be refunded to the student. All charges for tuition and fees will be reversed. A copy of the military orders is required to be submitted to obtain any charge reversal or refund.

Return of Title IV Funds Policy

The return of Title IV funds is processed by the Financial Aid Office. The amount of Title IV funds to be returned is calculated by the Financial Aid Office. This policy applies to all students who withdraw from Central Baptist College either officially or unofficially. This policy is separate and distinct from the Central Baptist College Refund Policy. Therefore, the student may still owe funds to cover unpaid institutional charges. The college reserves the right to collect from the student any Title IV funds that the college was required to return. The calculated amount of the “Title IV Funds Returned” that is required for students affected by this policy are determined according to the following definitions and procedures, as required by regulation.

The College has 45 Days from the date the college determines that the student withdrew to return all unearned funds as required. The college will notify the student if he/she owes a repayment by written notice. The college will inform the student or parent that he/she has 14 calendar days from the date of notification to accept a post-withdrawal disbursement. If the student or parent does not respond within the allotted time frame, the college will return any earned funds that the college is holding to the Title IV programs. All post-withdrawal disbursements must occur within 90 days of the student’s withdrawal date.

The return of Title IV funds regulations does not dictate the institutional refund policy. The calculation of Title IV funds earned by the student has no relationship to the student’s incurred institutional charges.

The college is required to determine the earned and unearned Title IV aid a student has earned as of the date the student ceased attendance based on the amount of time the student was scheduled to attend.

Pre 60% Withdrawal

Central Baptist College must complete a “Treatment of Title IV Funds Withdrawal Form” to determine the amount of earned aid up through the 60% point in each semester. Central Baptist College will use the Department of Education prorate schedule to determine the amount of Title IV funds the earned as of the time of withdrawal. After the 60% point in the semester, a student has earned 100% of the Title IV Funds he/she was scheduled to receive during the period. The college must still complete a “Treatment of Title IV Funds Withdrawal Form” to determine the amount of aid that the student has earned.

Post 60% Withdrawal

For a student who withdraws after the 60% point-in-time, there are no unearned funds. However, Central Baptist College will still determine whether the student is eligible for a post-withdrawal disbursement.

Note: On the next page is a sample calculation to determine the amount of unearned aid a student would be expected to repay based on the reported last day of attendance in the term from which a student withdraws.
Sample Calculation for Return of Title IV Funds

1. Determine the percentage of Title IV aid earned by the student by taking the calendar days completed in the semester, divided by the total calendar days in the semester (excluding breaks of more than two consecutive days).

   \[ \frac{20 \text{ completed days}}{120 \text{ total days}} = 16.7\% \text{ (\% of completed days)} \]

2. Determine the amount of Title IV aid earned by the student by multiplying the Percentage of Title IV aid earned times the total of the Title IV aid disbursed Plus the Title IV aid that could have been disbursed for the semester.

   \[ 16.7\% \times 3,500.00 = 584.50 \text{ (Amount of aid earned by the student)} \]

3. If this amount is greater that the total Title IV aid disbursed for the semester, A Post-withdrawal disbursement will be calculated; if the amount is less than the amount of Title IV aid disbursed, the difference will be returned to the Department of Education.

Withdrawal – Official vs. Unofficial:

A student who withdraws is one who either officially completes a “Central Baptist College Withdrawal Form,” unofficially withdraws (administrative withdrawal), is suspended, or expelled.

A student’s withdrawal date is determined by the date of last attendance in an academic class or the date of administrative withdrawal, suspension, or expulsion.

A student may rescind his/her official withdrawal notification by filing a written statement with the Registrar within 4 calendar days of the official withdrawal date. The student must state that he/she will continue to participate in academically-related activities, and intend to complete the semester for which payment of Title IV funds were or would be received. The rescission of withdrawal is negated if the student subsequently ceases to attend prior to the end of the semester. The withdrawal date then is the student’s original date of withdrawal.

Earned AID:

Title IV aid is earned in a prorated manner on a per diem basis (calendar days) up to the 60% point in the semester. Title IV aid is viewed as 100% earned after that point in time. A copy of the worksheet used for this calculation can be requested from the Director of Financial Aid.

In accordance with federal regulations, when Title IV financial aid is involved, the calculated amount of returned funds is allocated in the following order:

- Unsubsidized Direct Loans
- Subsidized Direct Loans
- Direct PLUS Loans
- Federal Pell Grant

Central Baptist College’s responsibilities in regard to the return of Title IV funds are as follows:

- Provide students with the information given in this policy;
- Identifying students who are affected by this policy and completing the Return of Title IV Funds calculation for those students;
• Returning any Title IV funds that are due the Title IV programs.

The student’s responsibilities in regard to the return of Title IV funds include:
• Returning to the Title IV programs any funds that were disbursed to the student and which the student was determined to be ineligible for based on the Return of Title IV Funds calculation. Any notification of withdrawal must be submitted using the Notice of Withdrawal Form and submitted to the Registrar. A student may rescind his/her official withdrawal by giving written notification to the Registrar with the allotted time requirement.

Examples of the worksheets for the Return of Title IV Funds policy are available, contact the Financial Aid Director at (501) 205-8911.

Post Withdrawal:
If students did not receive all of the funds that they earned, they may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, the college must get their permission before it can disburse them. Students may choose to decline some or all of the loan funds so that they don’t incur additional debt. The College may automatically use all or a portion of their Post-Withdrawal disbursement (including loan funds, if they accept them) for tuition, room and board, and fees. For all other school charges, the college needs their permission to use the post-withdrawal disbursement. If they do not give their permission, they will be offered the funds. However, it may be in their best interest to allow the school to keep the funds to reduce their debt at the college.

If Central Baptist College is not required to return all of the excess funds, students must return the remaining amount. Any loan funds that they must return, they (or their parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, they make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that students must return is called an overpayment. The amount of a grant overpayment that they must repay is half of the grant funds they received or were scheduled to receive. Students must make arrangements with their school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when students withdraw are separate from any refund policy that the college may have. Therefore, students may still owe funds to the college to cover unpaid institutional charges. The college may also charge students for any Title IV program funds that the college was required to return. If students don’t already know what the college’s refund policy is, they may ask their Financial Aid Director for a copy to the refund policy.

Central Baptist College can provide students with the requirements and procedures for officially withdrawing from college.

If students have questions about their Title IV program funds, they can call the Federal Student Aid Information Center at:
1-800-4-FEDAID (1-800-433-3243) OR TTY: 1-800-730-8913
Students may also contact the Central Baptist College Financial Aid Office at: (501) 205-8911.

Standards of Conduct

The Central Baptist College community is intended to be a family bound together by mutual interests and values. Its educational philosophy, moral standards, and academic goals are distinctly Christian. In describing the college’s standards of conduct, CBC emphasizes the importance of being obedient to the commands and principles of the Word of God, the Bible.

Almost all of our standards of conduct are based on scriptural commands or principles. The remaining standards are based upon generally accepted traditions for this area of the nation. Sometimes, traditions change. However, the standards advocated this year are selected based on the short and long-term impact of their adherence. We do not want to jeopardize the integrity, reputation, or opinion of this institution or its supporters by allowing students to practice actions that at this time and in this area of the nation could be interpreted in a negative fashion.

It’s a Student’s Choice

Each student who becomes a part of Central Baptist College does so voluntarily. By attending CBC each student indicates his/her intention to abide by all of the college’s policies and regulations. This handbook serves as the notification to the student that he/she is subject to disciplinary action by the college upon violation of the policies or regulations.

Student Responsibility

It is the responsibility of each student to be knowledgeable of and abide by the published policies and regulations of the college. All guidelines are effective at any time a student is enrolled in Central Baptist College. When a student leaves campus, he or she is still associated with the institution. Students are expected to conduct themselves according to Christian principles and standards on and off campus. Additionally, students are responsible for their guests and must ensure all guests comply with the college standards while on campus.

Central Baptist College standards of conduct are set forth in writing in order to give students notice of prohibited conduct. **The standards of conduct should be read broadly and are not designed to define conduct in exhaustive terms.** There may be some situations, other than those stated separately in this handbook, which will warrant disciplinary action. Additionally, students who persist in conduct that may be less serious than violations listed above but would eventually serve to discredit the institution and/or her students will warrant disciplinary action. Therefore, in order to provide a structure that allows for social order and unity while protecting individual rights, privileges, and freedoms, in addition to scriptural and legal standards, CBC has adopted the following policies and standards of conduct.
General Policies & Specific Standards of Conduct

- The right to inspect and review their educational records, to request reasonable explanations and interpretations of them, and to obtain copies of them. The college has 45 days from the date the request is received to honor the request. A student who wishes to ask the College to amend a record should write the College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and advise the student of his/her right to a formal hearing regarding the request for the amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

Central Baptist College will not tolerate harassment of its employees or students by anyone, including but not limited to supervisors, faculty, staff, students or alumni. Harassment is an insidious practice which demeans individuals and creates unacceptable stress for the entire organization. Significant costs are involved. Morale is adversely affected. F. Statement of Confidentiality
In formal resolution of complaints of harassment, all parties including the complainant, the alleged harasser, witnesses, and those investigating the complaint must strictly uphold rules of confidentiality. Due process is guaranteed the alleged offender, including the right to be informed of the specific charges, the opportunity to respond, and the opportunity to present information and witnesses.

In such case, individuals must be prepared to submit to the civil penalty for such behavior. In all cases of violation of federal, state, or local laws, the college reserves the right to proceed with its own disciplinary action independent of governmental charges or prosecutions. Students who have serious or repeated minor difficulties with state, local, or campus law enforcement authorities may warrant disciplinary action.

If it is determined by the treating mental health counselor that the treatment received by the student is failing to produce positive results, or, the student refuses to submit to treatment on or off-campus, the student will be suspended for the remainder of the semester to consult off campus treatment. If the student makes further threats following the initial contact with Conway Police Department, the student will be immediately suspended until sufficient proof is produced by a licensed psychiatrist that mental health treatment is being pursued and the threat of harm to self is rescinded.

- An updated constitution must be on file at all times in the Student Services Office. Constitutions should be updated every three years.
- All students holding positions of leadership in any campus organization must have and maintain a minimum 2.00 cumulative GPA. Any officer whose GPA drops below the 2.00 in any given semester will lose his/her office.
- Policies of Central Baptist College supersede policies of any organization in which its students hold membership.
- The College reserves the right to require an accounting of the use of funds and dues by any organization at any time.
Forming New Recognized Student Organizations
A group wishing to be recognized by the College must submit to the Student Services Office a typed, dated copy of a constitution stating the purposes for which the organization is to be formed, including any affiliation with a national organization. - Name of the organization.
- A statement of the organization's purposes, goals, and activities.
- A listing of officers by title and function. Officers must have a 2.0 cumulative GPA.
- A statement of terms of office and the time and method of election.

- Financial information concerning membership dues, the collection of funds, the manner of their collection, the distribution of funds, and who needs to sign a check (all checks must have the signature of at least one advisor and one officer).
- Information on standing committees or other special committees must be specified.
- Provisions for amendments to the constitution must be listed along with what constitutes a majority vote of the organization.
- Information on the induction of new members.

Once the Assistant Director of Student Services has established that all requirements for establishing a new recognized student organization have been met, the organization will be presented to the College Administrative Committee for final approval and designation as a Recognized Student Organization.

Repeat Offenders
Any student with repeat or multiple conduct violations will face a higher level of sanctions, even up to suspension or expulsion.

Right to Entrance, Search, and Seizure
At Central Baptist College students are guaranteed reasonable privacy. CBC also reserves the right for appropriate campus personnel to enter and search a residence hall room or student vehicle when evidence or strong suspicion of standards violations exists. Seizure of any item not allowed on campus or items that are illegal will take place. The same action may be taken when a threat to a student's well-being is present. Sex Offender Notification Policy
A.C.A. §12-12-913(g)(4) states that “in accordance with guidelines promulgated by the Arkansas Higher Education Coordinating Board, the board of directors of an institution of higher education shall adopt a written policy regarding the distribution to students of information regarding a sex offender.”
Additionally, the Campus Sex Crimes Prevention Act (section 1601) and (42 U.S.C., 14071) and 20 U.S.C., 1092 (f) (1) (I)) is a federal law enacted on October 29, 2000 which provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. This federal law requires sex offenders who are required by law to register in a state, to also provide notice of each institution of higher education in that state where the person is employed carries on a vocation, or is a student. This law further requires that institutions of higher education issue a statement advising the campus community of the availability of this information.

**Procedures for notification of a registered sex offender:**
For the purposes of this policy, the role of Central Baptist College is to assist the local law enforcement agency having jurisdiction (i.e. Conway Police Department) in the distribution of information concerning a registered sex offender.

The Conway Police Department is responsible for notifying the Vice President for Student Services in the event that a level 3 or 4 registered sex offender is found to be living on or near campus, is employed by Central Baptist College, or is a student at Central Baptist College. The Conway Police Department will provide the Vice President for Student Services with the following information concerning the registered sex offender: Photograph, Age, Crimes they are accused of, and History of other crimes.

*NOTE: The Conway Police Department will determine which registered sex offenders to notify Central Baptist College about and what information will be disseminated.*

A Sex Offender Notification Letter and Notification Sheet will be released to persons deemed appropriate by the Administrative Committee. This information will be kept on file by the Director of Student Services. Individuals wishing to obtain additional information about registered sex offenders may go to the Arkansas Crime Information Center Sex Offender Registry web site at [http://www.acic.org/Registration/index.htm](http://www.acic.org/Registration/index.htm).

Any questions or concerns about these procedures can be directed to the Director of Student Services.

**Social Media**

Students are strongly encouraged to use caution when using any form of social media, video source, or any social networking website. All information posted online is public information. Pictures, vulgar language, or other documentation of students violating, or reasonably suggesting a violation of, CBC policy on or off-campus is subject to further verification by the College. All online information can be used as a personal admission of guilt. Any conduct policy violations that are documented as a result of such verification will result in disciplinary action by the Dean of Students.

Central Baptist College logos, the Central Baptist College name, and/or the name of any Central Baptist College employee should not be associated with any student's personal online accounts. Social media accounts should not be set up by students using CBC logos or the Central Baptist College name unless written permission has been obtained from the Director of Public Relations. Any impersonation of CBC or any of its brands/entities WILL be subject to disciplinary action by the Dean of Students.
Student Complaint Policy
In order to comply with federal regulation 34 CRF 602.26 (b) 11, Central Baptist College has established the following policy regarding formal student complaints:

- A student desiring to file a formal complaint should submit in writing the following information: 1) the date of the complaint; 2) the nature of the complaint; 3) address the complaint to either the President, Vice President for Academic Affairs, or Vice President for Advancement; 4) and all complaints must be signed by the student.
- A confidential record of the complaint, including a detailed explanation of the action taken by the institution to resolve the complaint, along with the institution’s final decision regarding the complaint will be logged and maintained by the President’s Office.
- Complaints from parents, employers, etc. are not tracked for the purposes of this policy even if the complaints might relate to a student. Only a student who is enrolled full- or part-time or who has recently been enrolled, within the previous two semesters, is eligible to file a formal complaint.

Central Baptist College is required by law to share information about complaints with its accrediting agency, the Higher Learning Commission of the North Central Association of Colleges and Schools; however, individual identities will be shielded from evaluation teams, and no letters or documents from individual complainants will be revealed without the express permission of the complainant.
- The Commission is not a source of additional remedies for students who have complaints about accredited institutions.

Student Consumer Information
Student consumer information, as defined by the United States Department of Education, is distributed to students directly, through the Catalog, and the PACE Student Handbook. Campus Crime Statistics and Student Right-to-Know Information will be distributed directly to all students by October 1 of each academic year, and can also be obtained from the Registrar’s Office at any time. Requests for other information will be provided upon request to the appropriate college department/office.

Substance Abuse Testing-
All students are subject to substance abuse testing. The approximate cost of each drug screen is $60. The cost for the drug screen will be paid by Central Baptist College. If the student fails the drug test, the student will then be responsible to reimburse Central Baptist College for the cost of the test. The Dean of Students may require any student to submit to a drug screen when that student demonstrates behavioral changes suspected to be related to substance abuse. The decision to drug screen may be drawn from, but is not limited to, the following observances:

- Observable phenomena, such as the direct observation of drug use and/or physical symptoms or manifestations of being under the influence of a substance of abuse.
- Erratic behavior, slurred speech, staggered gait, flushed face, dilated/pinpoint pupils, wild mood swings, and/or deterioration of work performance.
- Information that a student has caused or contributed to an accident as a result of substance abuse.
- Information that a student has been arrested or charged with a substance abuse related offense.
- Conviction by a court or being found guilty, plea of guilty, or a plea of no contest for substance abuse related offense.
Thefts/Break-Ins
Students are responsible for all personal items brought on the campus. Each student is encouraged to mark all personal items and to keep a list of the serial numbers of any expensive equipment or possessions. All students are encouraged to keep car doors locked in their absence. Any theft should be reported to the Director of Student Life during regular business hours or to campus security during nights and weekends. CBC is not responsible for lost, damaged, or stolen property and will not replace such items. Students are responsible for filing their own police report, should it be deemed necessary.

Student Center
The student center should be kept clean. Students are responsible for picking up their own trash, and keeping up with their own belongings. Hours may be modified if any area of the student center is being abused or damaged. Student Center hours are as follows:

Student Center Hours:
Monday – Friday.................................7:00 am – 7:00 pm
Saturday .............................................10:00am – 6:00 pm
Sunday...................................................Noon –7:00 pm

Tobacco
Central Baptist College is a tobacco-free campus. Smoking and the use of smokeless tobacco, or possession of tobacco in residence hall or classroom are prohibited on campus and at College sponsored functions. Non-nicotine/herbal products that have the appearance of being a tobacco product are also not allowed and will be considered to be a tobacco product. NOTE: Because Camp Robinson is not CBC owned property, this policy does not apply to the Camp Robinson campus.

Unauthorized Entry
Entry of secured or locked areas without permission is prohibited. In addition, once buildings with card access are closed to the public, no one is to allow anyone into these buildings unless that person shows proper identification. Proper identification is a Central Baptist College issued photo ID. If this is not shown, that person should not be let into the building. Doors are also not to be propped open and left unattended for any reason.

Using College Facilities
Any campus organization may schedule activities in classrooms, buildings, or other approved places for college-sponsored functions. The arrangement for the use of campus facilities should be made by the sponsor of the organization through the Director of Special Events located in the Student Service’s Office. All plans for campus facilities must be on the CBC Activities Calendar. All activities must be carried out under the supervision of the sponsor of the organization.

Using the College Name
Any student or group of students engaging in or sponsoring any activity in the name of the college, on or off campus, must have prior approval of the College President. Any such activity contrary to the best interest of Central Baptist College will subject the student or student group to disciplinary action.
Official Use of Central Baptist College Logo
Students must have written permission from the Director of Public Relations in order to use the official College seal, word mark, or authorized version of the mustang athletic logo. The Director of Public Relations is located in the Advancement Suite in the David T. Watkins Academic Building.

Weapons
The possession, carrying, or storage of any weapon is prohibited on the Central Baptist College campus including buildings, in college-owned student housing, on the grounds, in personal vehicles, in college-owned vehicles, and at any college-sponsored event. The term “weapons” includes but is not limited to rifles, shotguns, pistols, concealed carry handguns, bows, crossbows, arrows, explosives (including fireworks and other incendiaries), shell-loading equipment, razor blades, whips, pellet guns, air guns, martial arts training equipment, or any other item that can be used as a weapon to threaten or harm another person. Violations of this policy will result in immediate suspension without the right to appeal.
Judicial Procedures

Following is an explanation of Central Baptist College’s judicial procedures for students enrolled in the PACE Program. Disciplinary records remain on file, as a reference to a student’s behavior, as long as a student is enrolled with Central Baptist College.

College Personnel Lines and Extents of Authority

Dean of Students
The Dean of Students is called upon to make decisions regarding student discipline when serious violations occur. The Dean of Students may sanction a student with any penalty deemed appropriate. All disciplinary sanctions will be documented and kept on file by the Dean of Students.

PACE Judicial Affairs Committee
The PACE Judicial Affairs Committee hears appeals from the Dean of Students and is comprised of the Vice President for Academic Affairs, the Vice President for Finance, and the Vice President for Enrollment Management. The Committee has the ability to sanction a student with any penalty deemed appropriate. All disciplinary sanctions will be documented and kept on file by the Dean of Students.

Judicial Appeals
All students have the right to appeal disciplinary actions taken against them with the exception of those that exclude the right to appeal within the policy (i.e. bomb threat, campus safety and security equipment, drugs, physical harm of others, and weapons policies). All appeals must be submitted, in letter format, within 24 hours of the initial disciplinary sanction against them. The written appeal must be submitted to the person to whom the appeal is to be made. An appeal may be submitted based on one or more of the following circumstances:

- Denial of due process (i.e. failure to follow standard procedures)
- New evidence or new information not considered when the decision was rendered

In order to be considered, all appeal letters must be typed and (1) describe, in detail, how one of the above mentioned circumstances applies; and (2) must provide supporting evidence to the argument.

A disciplinary sanction is in effect during the appeals process unless otherwise stipulated. Students will be contacted by the person to whom they have appealed within 3 working days of receiving the appeal letter.

Judicial Hearing Procedures
Judicial hearing procedures will be utilized for all disciplinary issues and are as follows:

- All judicial hearings shall be informal and strict rules of evidence shall not apply.
- The student(s) shall be notified, in writing, of the charge and of the date, time, and place of the hearing. When possible, a hearing will be scheduled within 10 working days after an incident occurs. However, factors such as holiday breaks, end of academic term, etc. may prevent the college from meeting this deadline. Written notice of hearing will be mailed or delivered to the student 24 hours prior to the hearing when possible. Upcoming holiday breaks or the end of an academic term may require that less notice be given.
- Disciplinary hearings are closed to the public.

The accused and the complainant have the right to:

- Be present at the hearing. However, if either or both the accused and the complainant fail to appear at the hearing after being properly notified, the hearing may be held in their absence and
a decision rendered accordingly based on information presented.

- Present information by witness or by signed witness statement if a witness is unable to attend the hearing. It is the responsibility of the accused and the complainant to notify their witnesses of the date, time, and place of the hearing. If witnesses fail to appear, the hearing may be held in their absence.

- Bring an advisor to the hearing. However, legal counsel is not permitted. The advisor (who may be a college employee, friend, or family member) may not participate in examination of witnesses or presentation of materials or information. The advisor’s role is limited to providing advice and consultation to the accused.

- Question all witnesses.

- Be informed of the disciplinary outcome.

The Dean of Students and Judicial Affairs Committee as Administrative Hearing Officers have the right to:

- Deny the right of appeal if the students fail to appear within 15 minutes of the arranged time for their hearing.

- Admit or deny admission to the hearing to any person who is not a party or potential witness.

- Where more than one accused student is involved, conduct one or separate hearings.

- Make their decision based on whether it is more likely than not that the accused student(s) violated Central Baptist College Standards.

**Judicial Sanctions**

The following sanctions may be imposed upon any student found to have violated CBC Standards:

- **Warning:** A notice in writing to the student that he/she is violating or has violated college standards.

- **Probation:** A written reprimand for violation of a specified college standard. Probation is for a designated period of time and includes the probability of more severe disciplinary sanction if the student is found to be violating any college standards during the probationary period.

- **Loss of Privileges:** Suspension or denial of rights and privileges for a designated period of time.

- **Restitution:** Compensation for loss, injury, damage to or misappropriation of College property. This may take the form of appropriate service and/or monetary or material replacement.

- **Discretionary Sanctions:** Community service, work assignments, service to the College, or other related discretionary sanctions. Discretionary sanctions that are not completed within the specified time period will be changed to a monetary fine and placed on the student’s account in the Business Office.

- **Educational Sanctions:** Educating students about benefits of healthy behaviors and the consequences of negative behaviors. This includes attending a program, writing papers, making speeches, conducting a program, etc. This could be done both on and off campus. Educational sanctions that are not completed within the specified time period will be changed to a monetary fine and placed on the student’s account in the Business Office.

- **Monetary Fines**

- **College Suspension:** Separation of the student from the College for a definite period of time, after which the student is eligible to return. Conditions for readmission to the College may be specified.

- **College Expulsion:** Permanent separation of the student from the College.

- **Holds:** Withholding of grades, official transcript, and/or degree.

- **Course Credit:** Failing grade for an examination or assignment or for a course and/or cancellation of all or any portion of prior course credit.

- **Denial of Degree:** College degree may be denied, revoked, and/or diploma may be withdrawn.

- **Other penalty as deemed appropriate.**

**NOTE:** More than one of the sanctions listed above may be imposed for any single violation of Central Baptist College Standards.
Campus Safety & Security

The safety and security of all Central Baptist College students is important. Central Baptist College hopes that all students have a safe and enjoyable experience while on campus. Following is a summary of the programs and services Central Baptist College provides to promote a safe campus environment. However, safety is the primary responsibility of each community member.

Campus Security

In order to promote a safe environment, students should keep vehicle and residence hall room doors locked at all times, should not prop doors open, and should not walk alone outside at night. Students should also report suspicious behaviors to the appropriate college officials.

Central Baptist College provides the following services to promote safety on campus:

- CBC has a closed campus policy which states that CBC is a closed campus from 12:00 midnight and 6:30 am. Signs have been posted at all major entrances to campus to make all campus visitors aware of this policy.
- CBC has installed a security camera system that consists of 89 cameras placed in all buildings on campus. The cameras can be accessed at all times and footage is archived for future use.
- Weapons of any kind are not allowed on campus.*
- CBC is an alcohol, drug, and tobacco free campus.*

*Signs have been posted at all major entrances to campus to make all campus visitors aware of these policies.

- Computerized card access systems have been installed in both residence halls. All students living in the residence halls are issued a card that gives them access to their residence hall 24 hours a day, 7 days a week. These systems restrict non-residents access to the residence halls 24 hours a day.
- CBC employs campus security officers through the Conway Police Department, who work at key hours at night, seven nights a week, to patrol the campus. Campus security officers are authorized to stop and question any person(s).

Campus Notification System

Through CBC Alert, students, faculty, and staff will be able to receive time sensitive emergency messages via text and voice messages to cell phones and home phones, in addition to the existing avenues of e-mail, and the Web page. This system will enable the College to better inform the campus community of imminent danger situations. While participation in this system is not mandatory, all students are automatically enrolled in the system and students must opt out. CBC Alert is a secure system and will not send advertising or spam to personal phones. Text messages will be sent through the system only in an emergency and for mandated system testing. In addition, students can change the settings on their account so that text and/or voice messages cannot be received.

To access the CBC ALERT Dashboard (a private and secure Web page where students can update and maintain contact information as well as review all messages sent via CBC Alert), go to https://www.myschoolcast.com/go/cbc, and use the username and password given in the CBC 1201 course. If one forgets their password, go to www.myschoolcast.com and click on “forgot your password.” An email containing the password will be emailed to the primary email address listed in the CBC Alert system.

NOTE: If deemed appropriate by College administration, non-emergency messages may be sent via CBC Alert.
Crisis Management Plan

Crisis Situation
A crisis shall be defined as any situation or event identified by the President's office or the Public Relations Department as having a major impact on the campus community as a whole. The term “crisis” refers to the period of time immediately following a situation that has widespread interest among the local, state and national community.

Operations
To ensure that the college’s public information response to an emergency is quick, accurate, sensitive and responsible, the President’s office will communicate with all media. If the President is unavailable, the Director of Public Relations, the Vice President for Advancement, the Vice President for Academic Affairs, or the Vice President for Finance or the Vice President of Enrollment, will serve as the college’s official spokesperson, respectively.

Phases of Response

I. Immediate
   A. In the event of any emergency, the first step for all faculty, staff and students is to immediately notify the appropriate personnel. The faculty and staff will notify their immediate supervisor. The students will notify the Resident Assistants, Resident Director, and the Dean of Students, respectively. The appropriate supervisor will assess the situation to determine the degree in which the emergency should be handled. NOTE: If the person designated to be notified is not available, please notify another college official.
   B. If the emergency is a crisis situation, the appropriate personnel will immediately notify the President who will call a meeting with the vice presidents to coordinate the plan of action to be taken by the college.

II. Action Plan
   A. The President and the Director of Public Relations will instruct all staff in the administration building of the proper channel for receiving phone calls from the media and establish an appropriate time for a press conference. The President and the Director of Public Relations will devise a plan for all communication with the public.
   B. The Vice President for Academic Affairs and the Vice President for Advancement will also notify their appropriate staff concerning the dissemination of information to the press. A meeting of the student body will also be called to inform them of any details concerning the crisis and ask for their help in directing all questions to the President’s office. The Vice President for Academic Affairs and the Vice President for Advancement will also establish (if needed) a counseling center to help with student needs and address any student concerns and notification of family members.
   C. The Vice President for Finance will notify all office and maintenance staff of the channel of communication. The Vice President for Financial Affairs and the maintenance staff will assess any damage to college property and take appropriate action to ensure safety. The Vice President for Finance will also be responsible to look at site logistics and notify the insurance companies if necessary.
III. Follow-up
A. The President and Director of Public Relations will handle all questions and make statements throughout the time of crisis and the weeks and months to follow. Efforts will be made to secure the funds needed to rebuild, replace or restore any damaged or destroyed college property.
B. The Vice President for Academic Affairs and the Vice President for Advancement will continue to meet any student needs including relocation and counseling.
C. The Vice President for Finance will facilitate any physical plant needs.

Emergency Evacuation
In the event of evacuation or campus crisis, **Central Church at 3333 Dave Ward Drive** will be the relocation point.
In the event of a campus evacuation:
- All commuter students are to leave campus immediately. If they are unable to get home, they are to go to the evacuation site.
- All students who live in the residence halls are to report to their residence halls immediately. Students who live in the residence halls are not to leave campus until they have checked in with their resident director.

Once at the relocation point, students are to check in with the designated college official. Students are not to leave the evacuation site until the Director of Campus Safety, or their designee, gives permission to do so.

Tornado Warning Awareness
The City of Conway will activate a siren city wide when the (CITY OF CONWAY) is under a TORNADO WARNING. This means the threat of a tornado is eminent. However there could be 30 seconds of warning time up to 10 minutes of warning time. The siren will be a long blast with no breaks.

Below is the recommendation for a shelter location in each building.
- Watkins shelter location will be the first floor work room and first floor restrooms
- Cooper shelter location will be the first floor (not the balcony) of Burgess Auditorium and restrooms connected to Burgess Auditorium
- Gym shelter location will be under the bleachers
- Student services shelter location will be in the women’s and men’s restrooms
- Dorm procedures are in place for the students in the residence halls and they are trained on where the shelter locations are.

**NOTE:** If time does not allow you to get to a designated shelter location, take cover where you can. Remember to stay away from windows and open areas.

As there may not be much warning time, find cover as quickly as possible in these locations in the event of a tornado or the sound of the alert siren. As you are making your way to a shelter location, instruct students to go with you as they may not be aware of the shelter locations.
Emergency Preparedness Team

Central Baptist College has established an Emergency Preparedness Team whose mission is to ensure the safety of the Central Baptist College campus and its constituents through the following measures:

The following are members of the CBC Emergency Preparedness Team:

- President
- Vice President for Academic Affairs
- Vice President for Advancement
- Director of Campus Safety
- Director of Housing
- Director of Public Relations

Technology Standards

All students are issued a username and password to gain access to the computing systems at Central Baptist College during their first semester enrolled at CBC. The password for this account expires every 60 days and must be reset either from a CBC owned computer system or using the password change/recovery system. To use the password change/recovery system, you MUST have already set up your personal questions and answers. You will do this the first time you log in to My Place from the CBC website.

Students who withdraw or do not re-enroll will have their account dropped and all files and emails will be erased.

**Students with technology questions (passwords, usernames, computer or general tech help), should email the technology helpdesk at techsupport@cbc.edu.**

**Computer Labs**
CBC offers each student access to three computer labs on campus. These labs are located in the Cooper Complex in KB110 and PB109, and one in the Watkins. Each of these labs is equipped with computers and printers for student use. Lab hours of operation will be posted on the lab doors.

**Student Printing**
Students are allowed to print 100 free pages per semester using the printers in the computer labs and/or library. Additional print pages may be purchased in the Business office for 10¢ per page. When a student’s account reaches zero, the print job will cancel and the student will be given a reminder to purchase additional prints from the Business Office.

**Wireless Hotspot System**
CBC offers each student access to a campus-wide free wireless hotspot system. To gain access to the wireless system, simply connect to the Central Baptist College SSID and accept the legal use policy. For all support questions please submit an email request to the help desk at techsupport@cbc.edu.

**Computer Use Standards**
Central Baptist College believes that access to computing and network resources are a significant benefit to the education of all individuals. Such access to computing systems and networks owned or operated by Central Baptist College is considered a privilege which imposes certain responsibilities on users and obligations to users and is granted subject to College policies. Acceptable use is considered to be ethical, reflecting academic honesty and showing restraint in the consumption of shared resources. It demonstrates respect for intellectual property, ownership of data, system security mechanisms, and individuals’ rights to privacy and to freedom from intimidation, harassment, and malicious annoyance. Violations of these rules will be reviewed through established procedures and could result in restrictions, expulsion, or criminal procedures. Punitive actions may be appealed through the same procedures.

These rules are intended to work for the benefit of all users by encouraging responsible use of limited computing resources. Any portion of these rules may be changed at any time. New versions of the rules will supersede all previous versions. You will receive notification of any changes that are made.
