Campus Anyware
Locating Your Class Roster

Go to: http://campusanyware.us/facultyservices/7400

Use your assigned Faculty ID and PIN number to Login.

From the Main Menu, click on Class List.

Now, Select the appropriate Term and then click Continue.
Next, select the class of choice and then click Continue.

A Class List will populate with the student’s names, ID numbers, phone numbers, and email addresses.

Once you have successfully located your class list, you can open a second browser window, login to WebStudy and upload students into the course.
