Information in this catalog, as in other informational literature issued by the College, is subject to change without notice and does not constitute a contract between Central Baptist College and a student or applicant for admission.

Nondiscrimination Statement
Central Baptist College is committed to providing equal opportunity for all persons and will not discriminate in regard to admissions, programs, or any other educational function and service on the basis of race, color, creed, national origin, sex, age, religion, or disability toward any person who meets the College’s admission criteria and is willing to abide by the College’s standard of conduct. In employment, including hiring and other conditions of employment, Central Baptist College will not discriminate on the basis of race, color, creed, national origin, sex, age, or disability. The College may, under federal guidelines, discriminate regarding religion in compliance with basic tenets of Baptist Missionary Association of Arkansas doctrine in employment practices. Therefore, Central Baptist College follows the principle of affirmative action and operates within the regulation of Title IX of the Educational Amendments of 1972, as amended, and other federal law prohibiting discrimination.

Section I: Introduction...

Thank you for choosing Central Baptist College. I want to personally welcome you to a family of administration, faculty, staff and students who are committed to your success.

Central is growing in enrollment, increasing in academic offerings and constantly searching for ways to better meet the needs of our students. In fact, students are the focus of all of our efforts at Central Baptist College.

We are blessed to be located in one of the most progressive and fastest growing cities in Arkansas. Conway is home to three colleges, a thriving business community, scenic lakes and parks and a vibrant community with endless opportunities for culture, recreation and shopping. Conway has the energy of a big city while it maintains its small-town quality of life that is simply second to none. You will love it here!

Sincerely,

Terry Kimbrow
President
Central’s History

As a result of action taken by the Arkansas Missionary Baptist Association at its organizational meeting in Little Rock, Arkansas, November 14-15, 1950, a committee began investigating proposals for a permanent location for a college to be founded by the Association. The school was established as the Arkansas Baptist Extension School in Little Rock at that time.

At the Association’s next session (Warren, Arkansas, November 13-14, 1951), the committee recommended the purchase of the former Central College in Conway, Arkansas, where a junior college would be opened in September 1952. The recommendation was unanimously adopted by the messengers from the cooperating churches, and a fund raising campaign was opened at that session. At the end of the campaign (September 1, 1952), title to the property was acquired by the trustees of the churches of the Arkansas Missionary Baptist Association; and the College was opened under the name of Conway Baptist College the same month.

The school’s name was changed to Central Baptist College in 1962 to reflect its evolving mission.

During its short history, Central has experienced considerable change. Since 1952 enrollment has grown from a dozen students to more than 500. The faculty has increased from five to approximately fifty, and library holdings have multiplied dramatically. Even with the razing of historic Old Main in 1984, the number of campus buildings has more than doubled.

Central Baptist College remains a college committed to excellence in Christian higher education. From its inception, Central has offered outstanding instruction in the area of religion, and Central has added four-year degree programs in other disciplines as well.
Central’s Mission and Purposes

Central Baptist College, a community of learners dedicated to the integration of Christian faith and academic excellence, exists to instill in our students a commitment to lifelong learning, spiritual development and service to God, through a program characterized by academic rigor, practical experience, and spiritual direction in a Christ focused environment.

Purposes:

1. To create an environment that fosters understanding, appreciation and a love for God’s word.
2. To create a campus community that supports students and faculty in the acquisition of knowledge.
3. To create excellent programs of study that challenge students and provide practical experience in the chosen discipline.
4. To create an understanding among faculty and students of the need for lifelong learning.
5. To create opportunities for spiritual growth and service to God.

The following statements explain the mission of the institution:

Central Baptist College—An educational institution owned and operated by the churches of the Baptist Missionary of Arkansas. “Baptist” is our denominational perspective. “College” represents our purpose in Christian higher education.

a community—There are many components of Christian higher education, which include students, educators, churches, and others who form a network of active . . .

learners—those who strive for greater knowledge and understanding of God, the world, and themselves.

dedicated to the integration—A commitment to understanding the conjunctions that exist in knowledge and faith.

of Christian faith—The foundation of our faith and practice which is in God’s Word.

and academic excellence—Promoting the goal of seeking truth and discovery in the arts, science, and religion.

exists—our purpose for being.

to instill—Imparting in such a way that there are lasting benefits.

in our students—The reason for our existence.
a commitment to lifelong learning—The first identifiable reason for our existence—to develop a love of learning that will go beyond the classroom into life.

spiritual development—Another reason for our existence—to go beyond normal educational goals of just educating the mind, but rather enhancing a person’s spiritual life in his or her walk with God.

and service to God—The practical reason for our existence—to bring the connection between body, mind, and spirit into everyday life.

through—the means and methods by which our goals are achieved.

a program—The design by which all educational objectives are met.

characterized by academic rigor—Descriptive of our programs which demand integrity, discipline, and hard work.

practical experience—Descriptive of our programs which integrate the classroom and life experiences.

and spiritual direction—Descriptive of our programs which incorporate Biblical truths in all aspects of the educational experience.

in a Christ focused environment.—The complete educational experience forged in the proper setting fostering diversity, personal worth, and enlightenment.

Central’s Philosophy

The thrust of present-day educational philosophy is education of the whole person. A learned individual has achieved physical, mental, social, and spiritual maturity. Central Baptist College accepts that philosophy, but it holds to the conviction that spiritual development should be given much more attention than it receives in many institutions of higher learning. We believe that spiritual experiences and attitudes can markedly affect physical, mental and social development and that faith is necessary to meet daily experiences and responsibilities.

Students dedicated to Christian principles as well as to academic excellence should consider Central Baptist College.
Section II:
General Information...

About the College

Central Baptist College is located in the heart of the city of Conway, Arkansas, a growing community with a population of approximately 55,000. With two other higher education institutions, and Little Rock only thirty miles away, Conway residents enjoy cultural and metropolitan advantages as well as the peace and security of a small town. Located only a few blocks from the Faulkner County courthouse, the campus of Central Baptist College covers eleven beautiful acres, embellished with trees, flowers and walkways.

Accreditation and Affiliations

Six regional agencies provide institutional accreditation on a geographical basis: Middle States, New England, North Central, Northwest, Southern, and Western. These agencies strive to encourage progress and quality in higher education. Central Baptist College is regionally accredited by The Higher Learning Commission, a commission of the North Central Association of Colleges and Schools.

College Calendar

The academic year consists of a fall and a spring semester. The duration of each semester is 16 weeks. A listing of important dates may be obtained from the Registrar.

In addition, Central offers regular and intensive summer sessions. The duration of these summer sessions ranges from 5-10 weeks.

Religious Culture

Christian education constitutes the heart of Central Baptist College. To exclude this feature of instruction would eliminate the reason for the existence of the school.

The following regulations have been developed to assist students in enhancing their religious culture:

1. Students must attend chapel services, unless exempted.
2. Bible courses are required each semester until nine hours of Bible or Theology have been completed. Note: students may elect not to take a Bible course in the third semester if BIB 1300 and 1301 have been completed successfully.

3. Students are encouraged to attend worship services in a local church.

4. Students are encouraged to read the Bible and have a brief prayer or devotional time daily.

5. Student organizations whose principles or conduct is contrary to Christian ethics are not allowed.

Location

Central Baptist College is located in the heart of Conway and very near to Lake Conway, Beaverfork Lake, Pickles Gap Settlement, Toad Suck Lock and Dam, Toad Suck Park, Woolly Hollow State Park, and a number of other recreational areas.

In typical college-town fashion, every well-known food chain has built a restaurant in the city, and many local specialty shops cater to a variety of tastes. For families, Conway offers an excellent school system, a modern well-staffed regional hospital, churches, businesses, and industries.
Campus Facilities

Administration Building

Visitors enter the Administration Building through a mall adjoining the J.E. Cobb Library. From there they have direct access to the offices of the President, Alumni Affairs, Financial Affairs, Academic Affairs, and the Registrar.

J.E. Cobb Memorial Library

The library provides a pleasant atmosphere where students may study comfortably. Open shelving and study carrels permit freedom for research and study. A computer lab and Smart classroom are provided. Holdings include books, periodicals, databases, tapes, compact discs, videos, and microform resources.

Harold E. Cooper Educational Complex

The Cooper Complex is the main educational building on the campus. In addition to an auditorium and worship center, the building houses seven departments including Bible, fine arts, behavioral science, humanities, mathematics & science, business, and PACE. The building also houses two computer labs, two biology labs, two chemistry labs, and a science research lab.

Burgess Auditorium

Located within the Cooper Complex, this auditorium seats approximately 550 people. Special events, musical performances, drama, and concerts are often held in the Burgess Auditorium.

Toland Worship Center

The Toland Worship Center hosts Bible conference, revivals, and recitals. It is open daily for students who seek a quiet place to pray and read the Bible.

Mabee Student Services Complex

Located in the center of the campus, the Mabee Student Services Complex is truly the center of campus life. The complex houses the offices of student services, financial aid, admissions, institutional advancement, bookstore, post office, Mustang Grill, and dining services. The student lounge, game room, snack bar, and community meeting room provide space for extracurricular activities and leisure time, as well as serving the community.

A.R. Reddin Fieldhouse

This building provides space for physical education classes and intramural sports. The Reddin Fieldhouse is also home to the CBC Mustangs, the College’s highly competitive basketball and volleyball teams. The building will soon contain a fitness center for students, faculty, and staff.

Residence Halls

Student residences include Bruce Hall for women and Williams Hall for men. Approximately one-half of Central’s students reside in campus housing, creating a familial bond among students, staff, and faculty members.
Section III:
Campus Life...

Christian Focus

Central assumes that when students enroll at the College they want to grow in their understanding and practice of Christian principles. Opportunities for spiritual development are available and religious activities of both curricular and extracurricular natures abound on the campus. Weekly chapel and regular Bible classes are just a few of the opportunities for personal enrichment.

Central is for students who are sensitive to the principles for Christian living found in Scripture. The College has, therefore, established specific guidelines for the conduct of faculty, staff, and students. General regulations concerning student conduct further the aims of Central Baptist College in promoting Christian growth and Christian standards of life. Central students are expected to behave as responsible citizens in a Christian community. They are expected to refrain from alcoholic beverages, illegal drugs, sexual misconduct and any form of entertainment that is morally degrading. Students are expected to demonstrate a respect for oneself and the rights and property of others, both within and outside of the college community.

Central does not presume to be a censoring agency for all activities, but it does expect tangible evidence of maturing Christian convictions and discerning judgment. The College reserves the right to dismiss a student whenever, in its judgment, the welfare of the institution requires such action.

Specific rules and regulations which promote Christian living and growth are found in the Student Handbook, which can be viewed at www.cbc.edu or ask Student Services for a copy. All students are required to read and follow standards as set forth in that document. Penalties for failure to comply are outlined in the Student Handbook along with student grievance procedures.
Chapel

The College considers chapel a part of a student’s educational experience and a part of the education of the whole person. The period between 1:00-1:50 pm on Wednesdays is reserved for chapel. Chapel should take the same priority as a class period in a student’s schedule. Programs are designed to deepen students’ spiritual lives, to broaden their cultural appreciation, and to promote awareness of Central activities.

All students taking 12 or more hours are required to attend and to remain for the entire service. Requests for chapel exemptions may be submitted to the Director of Student Life. Chapel services are provided to promote the Christian ideals of Central Baptist College and personal spiritual growth through testimony, preaching, and music. Each chapel service is designed to glorify God, foster the Christian community, and provide biblical direction for daily living.

New Student Orientation

Students entering Central Baptist College for the first time will have the opportunity to participate in new student orientation. The goal of orientation is to make the transition from high school to college, or from one college to another, as easy a transition as possible. Orientation will acquaint students with their peers, college policies, registration, and those things they will want and need to know about college life. Orientation programs include Summer Orientation and Priority Registration, Welcome Week, and CBC 1201. Information about these programs is mailed to all incoming students or is available from the Vice President for Student Services.

Personal Assistance

At some time in a student’s college career, he or she may encounter problems of a spiritual, personal, social, financial, or academic nature that the student does not feel equipped to handle alone. Central wants to help.

Spiritual, personal, and social problems: All Central administrators and faculty stand ready to help with student problems. The Resident Assistants, Resident Directors, and Director of Student Life are prepared to assist students and can refer them to the proper person or department for help or more information. CBC offers professional counseling services through a licensed counselor. Some student issues may extend beyond those that CBC employees are comfortable with handling. In such a case, a referral to the appropriate agency will be made.

In addition to these services, administration and faculty members are available to speak to students regarding individual needs.
Housing Regulations

Students must live on campus unless they are married, over 21 years old, have completed 60 hours, or living with parents, guardians, or relatives. Relatives are defined as parents, maternal or paternal grandparents, parent’s siblings, or a brother or sister over 21 years old.

Rooms cannot be assigned until a $100 security deposit is paid and a one-year housing contract is signed. Full contract terms and conditions may be found at www.cbc.edu or in hard copy from the Director of Student Life’s Office.

Residence hall rooms are checked by the Resident Director and Resident Assistants and should be kept neat and clean. The students who occupy the room are directly responsible for the furnishings, damages and activities that might occur. The College reserves the right to enter and inspect College-owned property for fire and/or health hazards, maintenance purposes, cleanliness, or for just cause if evidence suggests violation of College policies.

Room damage charges may be assessed as they occur or when the student officially checks out of College housing. Damage to other College property, including equipment, will be assessed against students who are responsible at the cost of repairs or replacement.

Each student is provided a key to his/her assigned room and an access card to his/her residence hall. Students are encouraged to keep their rooms locked. Students should not leave money or valuables in their rooms. The College cannot assume responsibility for valuables or money lost or stolen.

The College has no space for summer storage. Removal of personal property from College housing is the responsibility of the individual. The College does not carry fire, theft, or damage insurance on the personal property of students.

Operation of Motor Vehicles

The College considers the possession and operation of motor vehicles on campus to be a privilege subject to regulation; therefore, all vehicles must be registered with the Business Office at the beginning of the semester. Any automobile parked on the campus must have a Central Baptist College parking permit attached to it. Parking permits are valid for one academic year and summer terms.

Students are expected to observe all traffic and parking regulations. Fines imposed for violation of these regulations must be paid promptly. Outstanding traffic violations may result in severe penalties, including forfeiture of driving privileges on the campus, a hold on grades, and/or a doubling of imposed fines.
Student Activities & Organizations

Alpha Chi
Membership in the Alpha Chi National College Honor Scholarship Society is the highest academic award bestowed by Central Baptist College. Membership is open to the top 10 percent of the junior and senior classes.

Athletics
Central recognizes the value of wholesome athletic and recreational activity. Both intercollegiate and intramural athletics are a part of the campus program. The institution participates in the following intercollegiate athletic programs: men’s basketball, baseball, golf, cross country, and soccer; women’s basketball, volleyball, fast-pitch softball, cross country, and soccer.

Campus Activities Board
The Central Baptist College Campus Activities Board (CAB) strives to engage the college community by developing programs that entertain, educate, and enrich the spiritual and social lives of students. Members are committed to providing a variety of recreational activities in a welcoming environment, are given the opportunity to achieve personal growth, develop leadership skills, and build new relationships.

Central Singers
This group of student musicians is very involved in student recruiting and public relations for Central Baptist College. Membership in the Central Singers is by audition.

College Choir
The choir presents concerts throughout Arkansas and the region of southern states, performing at churches and schools, with a repertoire of contemporary and traditional sacred music. Membership in the College Choir is by audition and space available.

College Republicans
Organized in 1989, this organization endeavors to make students aware of their obligations to participate in the political system of our country. Membership is open to all Central Baptist College students. Meetings are held bi-monthly.

Handbells
Membership in the Handbell Choir is by audition and space available.

Ministers’ Association
Commonly referred to as “MA’s,” this group was organized in 1953 for the purpose of providing fellowship, inspiration, encouragement and opportunities for ministry. Membership is composed of ministerial students and faculty. Bi-monthly meetings are held at announced times, usually the first, third, and fifth Thursday of each month at X-period.
Pi Lambda
Pi Lambda is a student service organization established in 2007 to provide opportunities for service and to encourage a lifestyle of service among students at CBC. Their motto is James 1:22, “Be doers of the word and not hearers only, deceiving yourselves.” Pi Lambda is open to all students who are interested in putting their faith into practice by serving others.

School Publications
The Department of Literature and Language Arts produces a student newspaper and an annual yearbook. Student Services provides a newsletter and a monthly activities calendar.

Student Men’s Organization (SMO)
All male Central Baptist College students who maintain their residence in Williams Hall are members of SMO. SMO provides fellowship and opportunities to serve in community projects and joins forces with SWO to plan the monthly vespers services. SMO is also responsible for Spring Fling.

Student Women’s Organization (SWO)
All women living on campus are members of SWO. Harvest Party is the main activity of this organization. SWO works with SMO to host the monthly vespers services.
Section IV: Financial Information...

Financial Policies

Attending Central is an investment in one’s professional and personal future. The cost of training at this institution is several times what students are asked to pay. This is made possible by the generosity of the Baptist Missionary Association of Arkansas, churches of like faith in other states, hundreds of friends of the institution, and the sacrificial service of the administration and faculty of the College.

All students are therefore expected to make arrangements to pay tuition, fees, and room and board before the first day of class. Students who do not make arrangements will not be permitted to enroll in classes, live in college housing, or eat in the cafeteria.

Students are also required to satisfy financial obligations before they are permitted to obtain a grade report or receive a transcript from the college.

Tuition (per semester)

Tuition cost for students enrolling in 5 or more hours in the 2009-2010 academic year is $305 per credit hour. Tuition for 1-4 hours is $205 per credit hour.

Application Fee

A one-time, non-refundable application fee of $25 is charged to cover the cost of processing the application and establishing a personal file. This is a fee, not a deposit on other accounts, and must accompany the application.

Room Reservation Deposit

An advance room reservation deposit of $100 is required of all new students planning to live in the residence halls. Room deposits are refundable if checkout procedures are followed.

Room and Board

The room and board option costs $2,750 per semester. A limited number of private rooms are available in both residence halls at an additional cost of $500 per semester. Board includes a 19 meal plan. All students living in the residence halls will be charged for room and board. The campus dining facility is closed during all scheduled college holidays.
Audit Charges
Students who audit courses are charged 50% of the regular tuition. Senior Citizens, who are age 65 or older, may audit classes without paying tuition. In order for this tuition waiver to be granted, there must be a seat available, and the student must pay any applicable course fees and buy books and class notes from the campus bookstore.

Refund Policy
A student’s application may be voided by the college if the student cancels in writing within five business days of submitting the application. All money collected by the school may be refunded, except the application fee, whether or not the student has registered for classes. An applicant not accepted by the college shall be entitled to a full refund of all money paid, with the exception of the non-refundable application fee.

If the student withdraws by the end of the last day of registration, the student is entitled to a full refund of 100% of tuition billed. All fees billed are not refunded.

If the student withdraws by the end of the day the second Friday after registration, the student is entitled to a refund of 75% of tuition billed.

If the student withdraws by the end of the day the fourth Friday after registration, the student is entitled to a refund of 50% of tuition billed. Students withdrawing after this date will not receive a refund.

Refund Policy for Students Called to Active Military Service
Students who withdraw from Central Baptist College as a result of being called to active duty in the military service of the United States or the Arkansas National Guard will have their charges adjusted in the following manner. All tuition and fees collected in advance will be refunded to these students. All charges for tuition and fees will be reversed. A copy of the military orders must be submitted to obtain any charge reversal or refund.

Important Notice

All announcements in this catalog regarding regulations and expenses are based on current conditions and are subject to change without notice.

Current cost information can be obtained from the Vice President for Financial Affairs.
Financial Aid

Central Baptist College is committed to the principle that no student should be denied a Christian education because of financial limitations. Therefore, the institution makes every reasonable effort to assist students in obtaining any assistance for which they qualify. All scholarships are subject to the approval of the Scholarship Committee. Students may receive only one institutionally funded scholarship per semester. Specific information concerning application procedures can be obtained from the Financial Aid Office.

Academic Scholarships

To be considered for an academic scholarship, the student must meet the minimum general criteria, pay the application fee, submit an application for admission, and present an ACT score and a six-semester high school transcript. All scholarships are contingent upon admission to the college. Disciplinary probation, suspension, or dismissal automatically disqualifies a student for a scholarship or discount. Unless otherwise stated, the minimum GPA for all institutional scholarships, including endowed scholarships, is 2.50.

All students who have met the abovementioned requirements and have an ACT score of at least 19 and cumulative GPA of at least 2.5 will be considered for academic scholarships. Scholarships are awarded on a ranking system set by the Scholarship Committee of the college. For questions or more information, call Admissions.

Deadlines: February 15; March 15

If money is available after these dates, scholarships will be awarded on a rolling basis.

Arkansas Academic Challenge Scholarship

The AACS is designed to help students attend an Arkansas college or university. To qualify for an AACS, students must have maintained a minimum grade point average and scored a certain level on their ACT. There are also financial requirements, and students must certify themselves to be drug-free. For information on the AACS, contact the Arkansas Department of Higher Education at 1-800-547-8839.

Athletic Scholarships

Athletic scholarships are available to qualified athletes. All athletic scholarships are based on availability and tryouts. Contact the Athletic Department for more information.

Endowed Scholarships

A complete list of endowed scholarships can be found at www.cbc.edu.
Military Aid

Central Baptist College meets requirements for training degree seeking students under the various chapters of the Veterans Administration’s programs. Students applying for aid from the Veterans Administration programs should contact the Regional Office of the United States Department of Veterans Affairs. The Registrar’s office provides enrollment certification information and application forms. However, counseling and advising on eligibility issues are provided by the Department of Veterans Affairs. Students who wish to be certified for military benefits should complete a Veterans Information sheet in the Registrar’s office. It is the sole responsibility of the student to complete and submit all required documentation before enrollment can be certified for benefits.

Central Baptist College has partnered with the Arkansas National Guard to provide a 25% tuition discount for guard members who do not have 100% tuition assistance.

Ministry Discount (BMA)

A discount of **fifty percent** of the cost of tuition is offered to BMA preachers, their wives, and children under the age of twenty-four who remain members of the father’s household. The discount applies to students who enroll in a Central Baptist College traditional degree program. In reference to children of BMA preachers, the student must also remain a *qualified dependent of his/her parents for the time he/she is receiving the discount.*

To be awarded the minister’s discount, students must submit the following to the Financial Aid Office:

1. A copy of either a license or a certificate of ordination;
2. If not yet licensed or ordained, a letter from the Senior Pastor confirming the student’s call to the preaching ministry will be considered;
3. *A copy of the father’s previous year’s tax return to verify dependency status (If applicable);*
4. A Minister’s Discount Application.

The deadline to have all paperwork submitted is the late registration deadline of each semester.

To retain the minister’s discount after the initial semester, students must earn at least five credit hours per semester with a cumulative grade point average of 2.50, meet chapel attendance requirements, and follow Central Baptist College policies and procedures as defined in the Student Handbook. Students who are licensed or ordained preachers must maintain membership in the Minister’s Association and pay yearly membership dues.

Applications will be reviewed and awarded by the CBC Scholarship Committee. Minister’s Discounts are awarded on a yearly basis.
Ministry Discount (SBC & ABA)

A discount of forty percent of the cost of tuition is offered to SBC and ABA preachers, their wives, and children under the age of twenty-four who remain members of the father’s household. The discount applies to students who enroll in a Central Baptist College traditional degree program. In reference to children of SBC/ABA preachers, the student must also remain a qualified dependent of his/her parents for the time he/she is receiving the discount.

To be awarded the minister’s discount, students must submit the following to the Financial Aid Office:

1. A copy of either a license or a certificate of ordination;
2. If not yet licensed or ordained, a letter from the Senior Pastor confirming the student’s call to the preaching ministry will be considered;
3. *A copy of the father’s previous year’s tax return to verify dependency status (If applicable);
4. A Minister’s Discount Application.

The deadline to have all paperwork submitted is the late registration deadline of each semester.

To retain the minister’s discount after the initial semester, students must earn at least five credit hours per semester with a cumulative grade point average of 2.50, meet chapel attendance requirements, and follow Central Baptist College policies and procedures as defined in the Student Handbook. Students who are licensed or ordained preachers must maintain membership in the Minister’s Association and pay yearly membership dues.

Applications will be reviewed and awarded by the CBC Scholarship Committee. Minister’s Discounts are awarded on a yearly basis.

Music Scholarships

Music scholarships are available to music, church music majors, and other qualified musicians. All music scholarships are based on availability, strict audition, and Christian testimony. Contact the Music Department for more information.

Pell Grant

Pell Grants are available to students who qualify. The amount of the grant varies according to the level of the family income, the number of dependents in the family, and other factors. Application forms are available online at www.fafsa.ed.gov. The FAFSA should be submitted at least six weeks prior to the expected date of enrollment for financial aid to be in place for the semester.
Religious Education Discount

The Bible department may award one religious education discount per year for each of the following majors: religious education, missions, and youth ministry. Junior and senior students who major in these programs are eligible to apply. The discount is for one year only; however, it can be renewed if the applicant is selected by the Bible department to receive it for another year.

The discount value is fifty percent of the cost of tuition. A cumulative grade point average of 2.5 is required to maintain the scholarship.

SSL and PLUS

Stafford Student Loans and Parent Loans for Undergraduate Students are available to qualified students. Additional information may be obtained through the Financial Aid Office. Applications are available at www.cbc.edu.

Workforce Improvement Grant

The Workforce Improvement Grant is available to qualified Arkansas resident students. Application forms are included with the Pell Grant application.

Work-Study

The federal work-study program is also available to those students who qualify. For further information, contact the Financial Aid Office.

Student Financial Satisfactory Academic Progress Policy

Federal and State regulations require all schools participating in state and federal financial aid programs to have a Standard of Satisfactory Academic Progress (SAP). The standard will be applied to all applicants and recipients of financial aid as a determination of eligibility. These standards are applicable to all students whether they are eligible for the Title IV funding or not. This standard assesses academic progress for classes taken at Central Baptist College only and requires a quantitative AND a qualitative measurement.

Quantitative Requirement

1. Federal regulation states that the maximum allowable time frame to complete a degree is 150% of the published length of the educational program. For example, students in a four-year degree program may receive financial aid a maximum of six (6) academic years. If a student withdraws or is administratively withdrawn during a semester in which Title IV aid was received, the semester counts as one (1) semester of financial aid eligibility. This maximum allowable time frame is divided into increments. These increments are not to exceed the lesser of one academic year or one half the published length of the educational program. We review SAP in one academic year increments.
2. In order to maintain satisfactory academic progress, students attending and receiving aid based on a
   • Full-time status (12 hours or more per semester) must complete a total of 22 credit hours per academic year (July 1 – June 30).
   • ¾ time status (9-11 hours per semester) must complete a total of 16 credit hours per academic year (July 1 – June 30).
   • ½ time status (6-8 hours per semester) must complete a total of 12 credit hours per academic year (July 1 – June 30).
   • Less than ½ time status (less than 6 hours per semester) must complete a total of 7 hours per academic year (July 1 – June 30). (Students taking less than half time will not be eligible for Federal loans)

**Qualitative Requirement**

Satisfactory academic progress is also monitored through a student’s grades.

** A Grade Point Average of 2.0 is equivalent to a C average.

** Remedial classes will be counted towards the 150% maximum allowable timeframe AND will be considered in the review of SAP.

The complete satisfactory academic progress policy, along with all other Financial Aid policies can be found on the CBC Web site under the Financial Aid home page. Printed copies are also available in the Financial Aid Office. Any student receiving federal aid must read and agree to this SAP policy before any aid can be disbursed.

**Pro-Rata Refund**

First-time students at Central Baptist College receiving Title IV financial aid who do not complete 60% of an enrollment period for which they were charged will receive a pro-rata refund consistent with the amount of time remaining in the term.
Section V: Academic Information...

Admission Requirements

First-Time Freshmen
All applicants who wish to apply for admission should submit the following items to the Office of Admissions:

Application for Admission
A. Recent photograph.
B. $25 non-refundable application fee.

Academic Admission Requirements
A. All applicants should submit an ACT or SAT score for admission and placement purposes.
B. A minimum ACT composite score of 19 or a minimum SAT composite score of 1350.

Transcripts of Academic Work
A. An official copy of high school transcript or a GED Certificate.
B. A cumulative high school grade point average of 2.50 or higher on a 4.00 scale is required.
C. Applicants may be accepted conditionally with a six-semester transcript, pending the receipt of the final transcript.
D. Applicants who fail to meet our academic requirements may be admitted on final probation. In addition to submitting all other required admission documents, applicants will be required to submit a letter of appeal to the Admissions Committee, explaining their situation, career goals, and plans for succeeding at Central Baptist College. Students admitted on final probation will be subject to the following limitations:
1. Students will be required to participate in the “On Course” program. Information regarding this program will be included with the notification of final probation status.
2. Advisors will be notified of final probation status and limitations.
3. Students must earn a 1.5 grade point average in their first semester in order to continue enrollment. Students will follow the guidelines in the catalog under the Academic Standing heading.

Immunization Record
Applicants born after January 1, 1957 should submit proof of two immunizations against measles and rubella.
Readmission of Former Students

To be re-admitted to the college after a separation period will require submission of a new application and approval from the Registrar’s office, Business office, and Financial Aid office. The application fee will be waived.

Students who have not attended CBC for more than three years must enter under the current catalog.

Students who have attended other colleges or universities should follow the same guidelines as transfer students.

Admission for Transfer Students

Students who wish to transfer to Central Baptist College should understand the policy for the acceptance of transfer credit and submit the appropriate documents for admission:

Transfer Credit Policy

A. Applicants must have a 2.0 cumulative grade point average to be admitted unconditionally. Applicants with a grade point average below 2.0 may be admitted on final probation with conditions, if they are eligible for readmission at their previous institution. In addition, to other admission documents, such applicants are required to submit a letter of appeal to the Admissions Committee explaining their situation, career goals, and plans for succeeding at Central Baptist College. Students admitted on final probation will be subject to the following limitations:
   1. Academic course load will be limited to 14 credit hours during the first semester or as determined by the Admissions Committee.
   2. Advisors will be notified of final probation status and limitations.
   3. Students must earn a 2.0 grade point average in their first semester in order to reenroll.

B. A minimum grade of “C” is required for transfer of credit.

C. Grades from transfer credit will not be used in calculating the cumulative grade point average at Central Baptist College.

Required Admission Documents

A. Application for Admission
   1. Recent photograph.
   2. $25 non-refundable application fee.

B. Official transcripts from all colleges and universities which the applicant has attended. No applicant will be admitted who is currently suspended from another institution. Suspensions will be honored.

C. Immunization record:
   Applicants born after January 1, 1957 should submit proof of two immunizations against measles and rubella.

D. ACT Scores:
   An ACT score report must be submitted if the applicant has not completed Composition I and College Algebra.
Concurrent Enrollment for High School Students
Outstanding high school students who wish to experience college-level work may be admitted concurrently as part-time students. The criteria for admission are as follows:

A. Must be a Junior or Senior in high school.
B. Must have an ACT composite score of 21.
C. Must have a 3.0 grade point average or have an ACT subscore of 21 in the subject area.
D. Must have a letter of recommendation from the high school counselor or principal.
E. Must meet course prerequisites.
F. Must have permission of the department chair and instructor.

Students who do not meet the above standards may be recommended by their high school counselor or principal for admission to selected courses based upon their performance criteria, e.g., music. Such criteria will be performance based. To be admitted under this category, students will need the recommendation of the Department Chair and the Admissions Committee.

Non-High School Graduates
Students who are 18 years or older and did not finish high school but wish to attend CBC may be admitted if they meet the following requirements:

1. A minimum ACT composite score of 19 or a SAT composite score of 1350.
2. A satisfactory General Education Development (GED) test score. Central Baptist College does not have a GED program; please contact an adult education center.

Home School Students
Students who have completed a course of study at home which is equivalent to a high school education may be admitted if they submit a transcript of courses studied and achieve a minimum ACT composite score of 19 or a SAT composite score of 1350. A General Education Development (GED) diploma is not required. See a list of other requirements under the First-Time Entering Freshmen heading.

International Student Admissions
International students who wish to enroll at Central Baptist College must submit complete credentials to the Director of Admissions no later than May 1 for the fall semester and September 1 for the spring semester. Foreign students must meet the following admission requirements:
Application for Admission
A. A recent photograph.
B. A $25 non-refundable application fee. Applications will not be reviewed without this fee.

TOEFL Score
A. A score of 500 on the paper-based test, or 173 on the computer-based test is required. An official score report from ETS is required.
B. CBC’s TOEFL code is 0788.

Transcripts
Official academic transcripts of secondary school, college, or university translated in English.

Immunizations
Submit proof of two immunizations against measles and rubella and one TB skin test.

Financial Resources
Provide certified proof of the ability to meet financial obligations incurred as a student at CBC.

Health Insurance
Although health insurance is not required, it is strongly recommended that international students purchase health coverage.

Transient Students
Students who are enrolled in another institution of higher education and wish to take courses at CBC must file an application for admission and submit a transient student form or a letter of good standing from the institution they are currently attending and an official transcript. Transient students will be required to comply with policies and procedures of the college.

Faxed Documents
The Admission’s and Registrar’s offices will accept faxed copies of transcripts for advising purposes only. Original, official transcripts will be required to meet admission requirements. Other faxed documents will be considered official.
Academic Policies

Academic Advising
Students are assigned an advisor when they initially enroll based on their declared major. Advisors assist in making choices concerning course selection, scheduling, and degree plans. Students are responsible for reading the CBC catalog and making choices necessary to complete degree requirements. When students change degree programs, they will be assigned an appropriate advisor.

Students who will ultimately complete their degree at another institution are responsible for obtaining degree requirements from that institution. This will help our advisors assist students in proper course selection for transfer.

Transfer students must have their transcripts from all colleges and universities attended evaluated by the Registrar before registering for classes at CBC.

Academic Clemency
In order for academic clemency to be granted, a minimum 2.00 cumulative grade point average and 12 semester hours must be earned in one calendar year from the date of re-enrollment. Students who are granted academic clemency are ineligible to graduate with honors. Academic clemency does not restore eligibility for student financial aid, institutional aid, scholarships, or athletic eligibility. Academic Clemency is final and irreversible. These policies apply to Central Baptist College only.

Academic Credit
The credit hour represents one fifty-minute lecture per week for one semester. At least two hours of laboratory work are required to equal one hour of lecture. Thirty minutes of private music instruction per week is equivalent to one credit hour, and fifty minutes of private music instruction per week is equivalent to two credit hours.

Academic Honors
The Dean’s List is published at the end of each semester. To qualify for this honor, a student must be enrolled in 12 or more semester hours, earn a 3.50 grade point average for the semester, and have no incomplete grades at the end of the term.

The President’s List is also published at the end of each semester. To qualify for this honor, a student must be enrolled in 12 or more semester hours, earn a 4.00 grade point average for the semester, and have no incomplete grades at the end of the term.
Academic Semesters and Sessions
The academic year consists of two traditional 16-week semesters (fall and spring) and an online summer program.

Academic Standing
The academic standing of all students is evaluated at the end of each semester. Students who meet the following scholastic requirements are considered in good standing.

<table>
<thead>
<tr>
<th>Hours</th>
<th>Cumulative GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-29</td>
<td>1.50</td>
</tr>
<tr>
<td>30-59</td>
<td>1.75</td>
</tr>
<tr>
<td>60+</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Students who do not meet these scholastic requirements will be placed on academic probation.

If students placed on academic probation fail to make satisfactory progress during the following semester, they will be placed on final academic probation. Students who are placed on final academic probation must meet the required standard, as outlined above, within one semester.

Academic suspension will be for one semester. Students returning from academic suspension will be placed on final academic probation. Students who are placed on academic suspension for more than one time must wait one year before returning as a student. While on academic suspension, students may not earn credit at another institution and attempt to transfer those hours to CBC.

The Registrar may continue a student’s current academic standing if there is evidence of satisfactory progress towards earning a degree.
ADDITIONAL CREDIT

A student may be allowed a maximum of 15 hours credit earned by examination and correspondence toward an associate's degree and 27 hours toward a bachelor's degree.

Advanced Placement Credit (AP)

CBC will grant credit to entering freshmen for courses successfully completed in the Advanced Placement Program of The College Board. Credit will be given based on the AP exam score and awarded after they have completed 12 credit hours at CBC. CBC’s AP code is 0788.

College Level Examination Program (CLEP)

Students who seek to obtain credit through the College Level Examination Program should consult with the Registrar concerning time and place of testing. These tests should be taken before attempting the class for credit or audit. To earn credit for ENG 1300 and 1301 (Composition I and II), the test must be taken before the end of the Freshman year. Credit will be given based on the CLEP exam score and awarded after they have completed 12 credit hours at CBC. CBC’s CLEP code is 0799.

Correspondence Credit

The acceptance of correspondence credit and exam credit is limited to 15 credit hours for an Associate’s degree and 27 credit hours for a Bachelor’s degree. Correspondence credit may not be taken when the course is offered on campus that semester, except in the case of conflicts and with the permission of the Registrar.

For scholarship and financial aid purposes, an correspondence courses must be completed before the last day to enroll in the following term.
**Attendance**

1. Attendance at all lectures and labs is expected of all students and is regarded as a course requirement.

2. When absences from class are excused, the student may, at the discretion of the instructor, be allowed to make up work. The responsibility for initiating make-up work rests with the student. Arrangements for such work are to be made with the instructor on the first day the student returns from an excused absence. Absences may be excused by the instructor for the following reasons:

   A. Illness of the student which is certified by a physician or, in the judgment of the instructor, is serious enough to warrant an excuse. Students should contact their professors if they miss class due to an illness;

   B. Other personal demands which, in the judgment of the instructor, are serious enough to warrant an excuse;

   C. External interference judged by the instructor to be legitimate and unavoidable through normal precaution; and

   D. Institutional field trips, choral/band activities, and sports for which the sponsor provides written notice to the faculty prior to the function. Students who participate in these activities should understand that they cannot exceed the maximum number of absences allowed for each class.

   NOTE: If an instructor considers the absence unexcused, the student may request review of that judgment by the Academic Affairs Committee. This request is to be made immediately following notification by the instructor that the absence is unexcused.

3. During a semester, a student may miss (excused or unexcused) no more than twice the number of lectures or other regularly scheduled class activities that would normally be scheduled during a week. Absences in excess of that number may result in the student being administratively withdrawn with a grade of “WF.” For example, a student may be dropped upon the seventh absence in a 3 hour course meeting three times a week or on the fifth absence in a Tuesday/Thursday 3 hour class. For other classes, see the class syllabus for specific details.

   NOTE: This is the general institutional attendance policy. Instructors have the right to modify the attendance policy to meet class objectives. If this is the case, the course syllabus takes priority over the general institutional attendance policy.
Audit
A student may audit a course with no credit to be awarded. Students who are auditing a course can change the status to credit no later than the fifth day of classes. Auditors are expected to meet all class requirements other than examinations and written papers. The audit fee is one half the normal tuition fee for the course Senior Citizens, who are age 65 or older, may audit classes without paying tuition. In order for this tuition waiver to be granted, there must be a seat available, and the student must pay any applicable course fees and buy books and class notes from the campus bookstore.

Change of Address or Name
Students are required to notify the Registrar of any address changes immediately. Change of address forms are available in the Registrar’s Office or online at www.cbc.edu.

In order to change a name, the student must provide the Registrar with a legal document (e.g., marriage license, divorce decree, or court order).

Classification
Freshman: students who have 1-29 credit hours.
Sophomore: students who have 30-59 credit hours.
Junior: students who have 60-89 credit hours.
Senior: students who have 90+ credit hours.

Course Load
A full-time load is considered to be 12 to 17 credit hours per traditional semester and 3 to 4 credit hours per summer session. Students may take an increased course load during a traditional term if they have earned a 3.00 grade point average in the preceding semester in which they were enrolled for at least 12 hours. Permission to exceed 17 credit hours must be approved by the Registrar. The maximum course limit, including correspondence, for any semester is 19 hours.

Course Numbering System
Each course is identified by a 3 letter department code and a four digit number code. The first digit of the number code indicates the level of the course (i.e. 0 = remedial, 1 = freshman, 2 = sophomore level, etc.); the second number specifies the number of credit hours; the third and fourth digits identify the particular course.

Course Prerequisites
Students may not enroll in a course before successfully completing the prerequisites to that course. The instructor may administratively withdraw any student who has not fulfilled the prerequisite to a particular course.
Course Repetition

A student may repeat a course taken at CBC for the purpose of grade point adjustment if the student re-enrolls in the same course at CBC. Courses repeated at other institutions and transferred to CBC will not change the grade point average but can satisfy degree credit. There is no limit on the number of course repetitions. If a student chooses to repeat a course, the latest grade will be used to calculate the grade point average, but the former grade, although not figured in the grade point average, will remain on the transcript. Courses being repeated count toward total hours enrolled in a current semester. Students receiving Veteran’s Administration benefits must check with the Assistant Registrar before repeating a class in order to determine eligibility for enrollment certification.

Disability Support Services

Federal law, particularly Section 504 of the Rehabilitation Act of 1973 and The Americans with Disabilities Act of 1990 along with Arkansas Code 16-123-10 protects the rights of people with disabilities as they establish the foundation for equal opportunity.

A person is considered to have a disability if he/she has appropriate documentation of his/her condition or is regarded as having an impairment which substantially limits one or more major life activities.

Central Baptist College is committed to providing equal educational opportunity and full participation for persons with disabilities. It is our policy that no qualified person with a disability be excluded from participating in any campus program or benefiting from any CBC activities. This goal is accomplished by providing and coordinating support services that enable students to maximize their educational potential. Contact the Director of Disability Support Services for more information.

Grade Appeal Policy

If a student believes an error in grading has occurred, the student shall formally initiate a review of the grade no later than three weeks after the beginning of the next term.

It is the student’s responsibility to verify with the instructor the accuracy of the recorded scores and the final reported grade as the first step of the process.

If the grade differences have not been resolved through discussion with the instructor, and the student seeks additional mediation, the student should contact the chair of the department. If the instructor is also the chair of the department, the student needs to begin with step 1 below. If the matter is not resolved after the meeting with the department chair, the student may initiate a formal appeals process. The following procedures must be followed to make a formal grade appeal:
1. The student must submit a grade appeal letter to the Vice President for Academic Affairs within two weeks of meeting with the department chair. The letter should explain the reason for the appeal, citing specific examples which support the grievance.

2. The Vice President for Academic Affairs will give a copy of the student’s letter to the instructor and ask him or her to prepare a written response to the grievance.

3. The Academic Affairs Committee will review both letters and make a decision regarding the grade appeal. In some cases, the student and/or instructor may be asked to make statements and/or answer questions. A final written decision will be given to the student, instructor, and Registrar.

Grade point average is computed by dividing the total number of grade points by the total number of hours attempted. The cumulative grade point average includes only courses taken at CBC.

*Calculates as an F in the grade point average.
Graduation

Requirements
The following requirements apply to all degrees granted by Central Baptist College unless noted otherwise:

1. File a formal application for graduation in the Registrar’s office by February 1.

2. A minimum cumulative grade point average of 2.00.

3. Completion of 15 hours in residency for an Associates degree and 30 hours in residency for a Bachelors degree.

4. Bachelor candidates must earn 39 upper division credit hours. Upper division credit hours taken before a student completes 45 credit hours will not count as upper division credit without the approval of the Registrar.

5. Completion of all institutional assessment measures. Candidates will be notified by email concerning tests and dates.

6. All financial obligations to Central Baptist College must be met.

7. All library books and athletic equipment must be returned.

8. Students who wish to transfer credit hours to CBC to complete their degree must do so within three years of their last semester of attendance to remain under the same catalog; otherwise, they will be required to meet the degree requirements of the current catalog.

Degree Audit
Students are responsible for monitoring their progress toward a degree. The Registrar’s Office can assist students by providing a degree audit. Associate candidates are encouraged to have a degree audit prepared at the beginning of their sophomore year. Bachelor candidates are encouraged to have a degree audit prepared at the beginning of their junior year. An audit will be prepared at the time a candidate applies for graduation.

Graduation Honors
Academic honors will be conferred upon candidates who have earned the following cumulative grade point average:

- Summa Cum Laude 4.000 to 3.900
- Magna Cum Laude 3.899 to 3.700
- Cum Laude 3.699 to 3.500

Determination of honors status for the commencement ceremony is made at the end of the fall semester. However, the actual honors earned at the completion of all degree requirements will be noted on the transcript and diploma. No candidate will receive academic honors who has claimed academic clemency or who has been placed on disciplinary probation.
Commencement
Although students may complete the requirements for graduation in fall, spring, and summer, CBC holds only one commencement ceremony annually. Participation in the May ceremony is contingent upon either the completion of all required courses or being within 7 credit hours of completion. Students within 7 credit hours of completion in May should complete the remaining requirements by December of the same year.

The May commencement is an important tradition at CBC because it allows the college community and the Baptist Missionary Association of Arkansas an opportunity to celebrate with the graduates and their families and to publicly recognize those graduates. Students who choose not to participate in the ceremony must petition the Registrar for the degree to be granted in absentia.

Graduation Rates
Graduate rates are calculated annually and are available in the Registrar's office.

Incomplete Grade
A student receiving an incomplete grade in any course may fulfill the course requirements and receive a proper grade within one semester. The student is responsible for making arrangements with the instructor to fulfill the course requirements. If course requirements are not fulfilled within the allotted time, the “I” will be replaced with an “F.” For scholarship and financial aid purposes, the “I” must be replaced with a grade by the last date to enroll for the following term. An “I” is calculated as an “F” in the grade point average.

Records and Directory Information
The Family Educational Rights and Privacy Act of 1974 (FERPA) affords students certain rights with respect to their education records. These rights include:

*The right to inspect and review their educational records, to request reasonable explanations and interpretations of them, and to obtain copies of them.* The college has 45 days from the date the request is received to honor the request. A student should submit to the appropriate official a written request that identifies the record(s) he/she wishes to inspect. A college official will make arrangements for access and notify the student of the time and place where the record(s) may be inspected.

*The right to seek correction of the educational record(s) that the student believes is not accurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.* A student who wishes to ask the institution to amend a record should notify the college official who is responsible for the record in writing, clearly identifying the part of the record that the student wants changed and specifying why it should be changed. If the institution decides not to amend the record as requested, it will notify the student in writing of the decision and advise the student of his/her right to a formal hearing regarding the request for
the amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to control the disclosure of directory information. If a student wishes to limit access to his/her directory information, he/she should notify the Registrar in writing no later than the fifth day of classes during a regular semester. The request will remain in effect until revoked in writing by the student. The following information will be treated as directory information and subject to release without the consent of the student: name, address, telephone listings, campus e-mail address, date and place of birth, photograph, major, classification, current enrollment, dates of attendance, awards, degrees, honors, graduation date, previous institutions attended, participation in officially recognized activities and sports, and vital statistics of athletic team members.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA. The office that administers FERPA can be contacted at the following address:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5920

Education records may be disclosed to the following persons: the student concerned; parents of dependent students as defined by the IRS (Parents may be required to provide the college with copies of their income tax returns showing their student is claimed as a dependent.); college officials who have legitimate educational interests without prior consent from the student; college officials may include but not be limited to advisors, instructors, financial aid director, and coaches; written consent by the student for other parties; the Attorney General of the United States or to his designee in response to an ex parte order in connection with the investigation or prosecution of terrorism crimes specified in sections 2332b(g)(5)(B) and 2331 of title 18, U.S. Code; organizations conducting studies for the institution; accrediting agencies/Campus Anyware software support team; court of legal jurisdiction; appropriate officials in a health and safety crisis.

The college may also disclose to parents and legal guardians of students under the age of 21, regardless of their dependence status, information regarding a student’s violation of laws or policies governing the use or possession of alcohol or a controlled substance.

Upon entry to CBC, students will have the opportunity to complete a “Consent to Release Education Records” form. This form allows students to give authorization to individuals they wish to have access to their education records. This declaration will remain in effect until revoked in writing by the student.

Further information regarding the Family Education Rights and Privacy Act of 1974 (FERPA) may be obtained in the Registrar’s Office in the Administration Building.
Remedial Courses

Students who have not scored a minimum score of 19 on the English portion of the ACT or 45 on the Writing Skills subtest of the ASSET must take ENG 0300 English Fundamentals as a prerequisite to ENG 1300. This course does not count toward degree requirements. A grade of “C” or higher in ENG 0300 will allow students to enroll in English 1300 Composition I.

Students who have not scored a minimum score of 19 on the mathematics portion of the ACT or 39 on the Intermediate Algebra test of the ASSET must take MTH 0300 Intermediate Algebra or MTH 0301 Beginning Algebra. These courses do not count toward degree requirements. A grade of “C” in MTH 0301 will allow a student to enroll in MTH 0300, and a grade of “C” in MTH 0300 will allow a student to enroll in MTH 1303 College Algebra.

Students who have not scored a minimum score of 19 on the reading portion of the ACT or 42 on the reading on the ASSET must enroll in RDG 0200 Reading Comprehension their first semester at CBC. This course does not count toward degree requirements. This course will be repeated until a grade of “C” or higher is earned.

Testing and Assessment

ACT
Prospective students who have applied for admission may take the ACT residually on our campus by making an appointment with the Registrar. The ACT may not be taken for scholarship purposes after a student enrolls. A residual test will not be acknowledged for athletic eligibility.

Central Baptist College's ACT code is 0119.

Bible Assessment Test
All first-time entering and transfer students in the traditional program will be required to take the Bible Assessment Test at the beginning of the BIB 1300 Survey of the Old Testament course in the fall semester. This test will be administered again to students after they complete BIB 1301 Survey of the New Testament for assessment purposes. With a minimum score of 100, students will be eligible to receive credit for BIB 1300 Survey of the Old Testament and BIB 1301 Survey of the New Testament (6 hours). Students will be charged $50 posting fee ($25 per 3 hour course).

PACE students may choose to take the Bible Exam or enroll in the courses. A minimum score of 100 is required to be eligible to receive credit for BIB 1300 Survey of the Old Testament and BIB 1301 Survey of the New Testament (6 hours). The exam must be taken prior to enrolling in any Bible course at CBC. Students will be charged $80 test fee and $50 posting fee ($25 per 3 hour course).
CAAP
As part of CBC’s assessment plan, students who have completed 45 to 60 semester hours and college algebra are expected to participate in the CAAP (Collegiate Assessment of Academic Proficiency) exam in the spring semester.

Final Exams
Final examinations must be taken at the time they are scheduled. Examinations missed because of illness or other unavoidable circumstances may be taken at a later time with the instructor’s approval. If there is a lengthy delay taking a make-up examination, the instructor will submit a grade of incomplete at the close of the semester.

Other Assessment Tests
Graduates are required to complete a graduate questionnaire and other assessment tests depending upon their degree.

Transcripts
A student may obtain a free copy of his/her transcript by written request. The request should include the following:

1. ID number or Social Security number
2. Complete name (including former names)
3. Current address
4. Telephone number
5. Mailing address(es) for transcript(s)
6. Number of transcript copies requested
7. Student’s signature. A student’s signature is required, and all financial aid and/or administrative obligations must be met in order for a transcript to be released.

A transcript request form is available in the Registrar’s office or online at www.cbc.edu. The transcript request form may be submitted in person to the Registrar’s office, faxed, or mailed to the following address:

Central Baptist College
ATTN: Registrar’s Office
1501 College Avenue
Conway, AR  72034
Fax: (501) 329-2941
Registration Policies

Registration
Registration is held for two days prior to the first day of classes at the beginning of each semester. Students who have been accepted may schedule an appointment and register at one of the Priority Registration dates in the summer. Returning students usually preregister near the end of each semester for the following semester.

First-Time Entering and Transfer Students
All admission documents must be in the applicants file by the 2nd day of registration in order to register without a late registration fee. Applicants may complete their admission file by the “last day to enroll” (2nd day of class) and register for classes; however, a late registration fee will be charged.

Schedule Change (Through the 5th Day of Class)
To make a schedule change during the first five days of class, the student should submit a Schedule Change Form signed by his/her advisor to the Registrar’s office. These changes will not appear on the student’s transcript. There are no fees for dropping or adding courses. Tuition is adjusted accordingly during this five day period.

Administrative Drop (Before Classes Begin)
Classes will be administratively dropped if students fail to pay tuition and fees or make arrangements with the business office concerning scholarships, grants, tuition assistance, FACS, etc. by the 2nd day of registration. A late registration fee will be charged to reinstate classes.

Late Registration
Students may register for classes through the 2nd day of class; however, a late registration fee of $200 will be charged.

Registering for Courses
The following is a procedure list for registering for courses:
1. Complete the admission requirements. (See Admission Requirements.)
2. See the Financial Aid Officer to make sure aid is in order.
3. Meet with advisor to plan schedule.
4. Register classes with Registrar’s office.
5. Pay tuition/fees and register vehicle in the Business Office
6. Obtain ID card and PO key in the Student Services Building.
Bible Requirement

All full-time students are required to enroll in one Bible or theology course each semester until they have completed three courses. After students have completed Old and New Testament Survey, they have a choice of any Bible or theology course to complete the third course requirement. Students may withdraw from one course during their first three courses in Bible or theology.

Withdrawing from Courses (After 5th Day of Class)

To withdraw from a course after the 5th day of class, students must complete the withdrawal process. This process involves presenting the Registrar’s office a withdrawal form signed by the instructor of the course, financial aid officer, and the advisor by the withdrawal dates listed on the Schedule of Classes. Forms are available in the Registrar’s office, advisor’s office, and the instructor’s office. Ceasing to attend class does not constitute a withdrawal from the course; students who do not follow the withdrawal process will receive an “F” for the course.

Courses dropped or withdrawn during a fall or spring semester will be recorded on the transcript as follows:

First 5 days of class – no course or grade recorded
6th day of class through 11th week – “W”
12th week through 14th week – “WP” if passing; “WF” if not passing
After the 14th week – no withdrawal from individual courses

Students who are administratively withdrawn from classes because of absences will receive a grade of “WF.” The attendance policy is outlined in the Student Handbook.

Withdrawing from All Courses

Students may withdraw from all courses until one week prior to finals. A “Permit to Withdraw” may be requested in the Registrar’s office. To officially withdraw, students will need signatures from the following: Advisor, Dean of Students, Bookstore, Library, Head Resident of Dorm, Athletic Director (if applicable), Financial Aid, and Business office.

Students who complete this process will receive a “WP” for all courses. Students who depart from the college without officially withdrawing will receive a grade of “F” on all courses registered for that semester.

Re-Entry to the College

To re-enter the college after a separation period will require approval from the following offices: Registrar’s office, Business office, and Financial Aid office.
Academic Requirements

General Education Requirement
Every student who is working toward a degree must complete a sequence of general education courses. These courses serve to integrate biblical and theological studies with study in the natural and social sciences and the humanities.

The general education program is designed to provide all students with the knowledge, concepts and competencies necessary for them to assume productive leadership roles in a pluralistic society. The purpose of the program is to ensure the acquisition of knowledge common to educated people; the ability to process and evaluate such knowledge for use in making intelligent decisions; and the ability to use such knowledge in everyday life for a more rewarding and fulfilling existence.

Biblical Studies Core
The biblical studies core enhances the basic objectives and purposes of the college. It serves the purpose of acquainting the student with Christian principles and providing a deeper understanding of the Word. A minimum of nine hours of Bible or Theology are required for every degree program.

Pre-Professional Programs
As a result of increased job opportunities, better pay, and the many scientific advances that have been made over the past few years, many students are considering a career as a health care practitioner. Central Baptist College wants to help those students prepare for such a challenging profession. We offer 21 pre-professional programs, which prepare our students for transfer to such schools as the University of Arkansas for Medical Sciences. The pre-professional programs include: biomedical instrumentation technology, cytotechnology, dental hygiene, medical technology, nuclear medicine technology, radiological technology, respiratory care, surgical technology, physical therapy assistant, physical therapy, home economics, home economics-dietetics, nursing, occupational therapy, pre-medicine, pre-pharmacy, pre-veterinary, speech language pathology, pre-dentistry, pre-optometry, and wildlife management. For more information regarding these programs, please contact the Science Department Chair.
Academic Departments

Our academic departments are noted for having outstanding faculty who care about students and strive for teaching excellence. Whether it’s humanities, fine arts, social studies, physical education, natural sciences, or biblical studies, our professors are committed to providing the best education possible.

Behavioral Sciences

The Behavioral Sciences Department is designed to prepare students who have a passion for understanding and helping others who are in need. Students will be equipped to work in a wide range of careers and ministries in social services. Students will also be prepared to continue their education at the graduate level. More specifically, students who graduate will be able to demonstrate the following: 1) an ability to integrate sound psychology with sound theology, 2) a working knowledge of major psychological, emotional, and relational problems, 3) an ability to assist people with various psychological, emotional, and relational problems, 4) an ability to assist people in times of crisis, 5) and an understanding of how people interact in marriages, families, and small-groups.

The Behavioral Sciences Department offers both a Bachelor of Science degree and a Bachelor of Arts degree in Social Services. The BS degree includes nine hours of math and science courses that are related to social services while the BA degree allows students to take nine hours of a foreign language instead. Students who plan to pursue counseling or psychotherapy as a significant part of their career or ministry are encouraged to complete the minor in Christian Counseling.

All students in the Behavioral Sciences Department are required to complete 120 hours of field experience during one semester of their junior or senior year. Each student’s field experience is unique and will be tailored to the needs and interest of both the student and the participating organization or agency. The primary objective is for students to serve people with some sort of need and to do so face-to-face whenever possible.

Bible Department

The Bible Department offers programs in several areas of professional ministry. These areas include pastoral studies, missions, religious education, and youth ministry. The curriculum is designed to provide students with the skills and theoretical knowledge needed for effective ministry. Graduates of the department should be able to do the following: 1) demonstrate a comprehensive knowledge of the Bible, its geography, history, and doctrines, 2) give evidence of sufficient knowledge of the Greek language to use Greek lexicons and other such helps in independent study (BA Only), 3) exhibit a reasonable proficiency in preaching and/or teaching the Word of God, 4) defend the Bible as the inspired Word of God and the complete rule of faith and practice, 5) manifest skill for personal and group evangelism, 6) show knowledge of and leadership ability in the various functions of the church, 7) and demonstrate a reverence for God, His work, His Word, and His people.
The BA and BS Bible degrees expose students to biblical organization and content, providing an understanding of biblical interpretation, history and expansion of Christianity, development of Christian doctrine, and an understanding of Baptist theology. In addition, the BA degree also provides students with skills, tools, and techniques for intensive biblical exegesis and exposition. The language core, which emphasizes New Testament Greek, prepares students for further biblical training, the pastoral ministry, and intensive biblical research. The BA degree is recommended for students who plan to pursue a graduate degree.

An internship is required of all Bible students with minors in Missions, Religious Education, Pastoral Studies, and Youth Ministry. The purpose of the internship is to promote understanding of the nature, duties, challenges, and activities of pastoral, evangelistic, and missionary work. Each student works with a person qualified in the student’s minor field.

**Business Department**

The Business Department prepares students to meet the demands of today’s business world. The comprehensive curriculum includes majors in Accounting, Business Administration, Marketing, and Management and provides courses in management, marketing, finance, accounting, economics, entrepreneurship, and international business.

The mission of the Business Department at Central Baptist College is to develop business leaders with a heart for Christ. This means the bar is set high, providing an education that not only equips the mind but encourages the spirit.

There are significant opportunities to serve God in the business realm. More than ever, there is a tremendous need for competent and caring leaders. But where does it all begin? Where does the road to ministry start? We invite prospective students to consider the business program of Central Baptist College, where knowledge, discipleship and personal attention are combined to offer a business degree with all the right priorities.

**Education Department**

The Education Department is designed to prepare students for careers in the field of teaching. Students learn about education theory and best practices while developing their commitment to serving others through the education profession. In addition to classroom instruction, students also participate in field experiences in local schools.

**Fine Arts Department**

The Fine Arts Department seeks to train talented students in the areas of music and the visual arts. Students are exposed to classroom instruction and artistic experiences. Students can participate in a number of performing groups: CBC Choir, CBC Singers, Madrigals, and the CBC Handbell Choir. To schedule an audition, please contact the Fine Arts Department Chair.
Health and Physical Education Department

The Health and Physical Education Department strives to educate students about the importance of lifestyle choices that affect personal and community health. This is accomplished by the integration of all areas of wellness and opportunities for participation in lifetime sports both inside and outside the classroom.

Literature and Language Arts Department

This department seeks to provide opportunities and resources for students to develop their oral and written communications skills and to expand their personal and cultural awareness. Courses within the department focus primarily on reading, writing, speaking, and researching. Classes include listings for composition, literature, oral communication, Spanish, and journalism.

Math and Science Department

A high demand exists for trained professionals in biomedical and health care fields. The Math and Science Department seeks to prepare students for health care professional programs of study and careers that require math and science skills. The new science center is equipped with state-of-the-art laboratory and teaching technologies, and includes two chemistry labs, two biology labs, a research lab, and classroom. Three Bachelor of Science degree programs are offered: Biology, Health Sciences, and Biotechnology. An Associate of Arts with Science Emphasis is also available for students entering specialized health sciences degree or certification programs. Interested science students have the opportunity to participate in mentored hands-on research activities at the campus.

Professional Adult College Education (PACE) Department

The PACE department offers an accelerated learning program designed for adults who have completed two years of post-secondary education or approximately 40-50 credit hours. The department seeks to assist students in completing their degree by offering courses in a format that can accommodate a busy schedule. The following adult degree completion programs are offered: BS in Liberal Studies, BS in Organizational Management, BS in Management Information Systems, and a BS in Leadership and Ministry. The PACE department also offers an AA in General Education for students who have never attended college or who lack the number of hours needed for admission into one of the baccalaureate programs.

Social Studies Department

The Social Studies Department seeks to equip students with sufficient skills to be contributing citizens of the world while undergoing preparation for the world to come. This will include — but is not limited to — the acquisition and demonstration of the ability to make informed decisions for the public good while living in a culturally diverse and interdependent world.

**Associate of Arts in General Education – Liberal Arts Emphasis**

The Associate of Arts in General Education is a two-year degree designed to prepare the student for further studies in the arts, humanities, social sciences, or natural sciences. Students who transfer from Central after two years have a solid foundation for continuing their education. The A.A. degree satisfies the general education requirements of most colleges and universities in this region. Students may choose from three options: liberal arts, social science, or science.

Course Descriptions

Course descriptions and times offered are subject to change.

ACC 2300
Accounting Principles I
Analysis and recording of business transactions in the journal; posting to the ledger; preparing a trial balance, worksheet, income statement, and balance sheet; adjusting, closing and reversing entries; reconciling bank statements; calculating interest on notes, depreciation, and inventories. Prerequisite: Sophomore classification or permission of instructor. Fall

ACC 2301
Accounting Principles II
A continuation of BUS 2300. Emphasis upon more advanced accounting concepts. Prerequisite: ACC 2300 with a grade of C or better. Spring

ACC 3300
Intermediate Accounting I
Study of intermediate accounting theory with emphasis on preparation and interpretation of financial statements. Applies valuation principles to balance sheet accounts, covering current and long-term assets and liabilities. Prerequisite: ACC 2301 with a minimum grade of C. Fall 2012

ACC 3301
Intermediate Accounting II
Continuation of Intermediate Accounting I with emphasis on the statement of cash flows and the valuation of intangible assets, long-term liabilities, and shareholder’s equity. Prerequisite: ACC 3300 with a minimum grade of C. Spring 2013

ACC 3310
Cost Accounting
Study of cost accounting principles, including product costing, job order costing, process costing, inventory, payroll, budgeting. Emphasis on decision support and uses of accounting information. Prerequisite: ACC 2301 with a minimum grade of C. Fall 2012

ACC 4300
Individual Income Tax
Fundamentals of federal income taxation and social security taxes for individuals, determination of taxable income, and preparation of income tax returns. Prerequisite: ACC 2301 with a minimum grade of C. Fall 2013

ACC 4310
Government and Nonprofit Accounting
Accounting theory and practice applied to non-for-profit organizations such as churches, educational institutions, hospitals, and governmental bodies. Prerequisite: ACC 2301 with a minimum grade of C. Spring 2013
ACC 4320
Auditing
Introduction to the public accounting profession. Includes study of auditing theory, audit procedures, professional ethics, and professional and legal responsibilities of auditors. Prerequisites: ACC 3301 with a minimum grade of C. Spring 2014

ART 2300
Art Appreciation
A survey of art designed to help students understand and appreciate the significant achievements in painting, sculpture and architecture. Spring

AST 1400
Astronomy
An introduction to the night sky, our solar system, and the stars. Lecture and Lab. Fall

BIB 1300
Survey of the Old Testament
General introductions to the Bible, its supernatural origin and its literary structure and composition. A survey of the major periods of Old Testament history from the creation to the Post-Exilic Era, with stress on the divine mission of the Messianic race. Fall

BIB 1301
Survey of the New Testament

BIB 2300
Life of Christ
A study in the life of Christ as revealed in the four Gospels: His person and character, His travels, His teaching and the miracles, and His methods of dealing with people. Fall

BIB 2301
The Life of Paul
Paul’s background, conversion and call to service, missionary activity, and letters. Spring

BIB 2308
Interpreting the Bible
Survey and evaluation of the various methods of interpreting the Scriptures. Required of all ministerial students. Spring 2011

BIB 3300
The Pentateuch
The first five books of the Bible. The creation, fall and redemption of man, the relation of Jesus and the church to the law. Fall 2009
BIB 3301  
The Historical and Poetical Books of the Old Testament  
Joshua to Esther, Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon, and Lamentations.  Fall 2010

BIB 3303  
Pastoral Epistles  
I Timothy, II Timothy, and Titus, their background, authorship, relationship to the body of Pauline literature and the New Testament.  Fall 2010

BIB 3304  
Hebrews and the General Epistles  
Hebrews to Jude.  Spring 2010

BIB 4300  
Biblical Archaeology  
The principal archaeological discoveries of the ancient Near Eastern world, including the Dead Sea Scrolls, and their bearing upon the study of the Bible.  Spring 2010

BIB 4301  
Minor Prophets  
Hosea to Malachi.  Spring 2010

BIB 4302  
Major Prophets  
Isaiah, Jeremiah, Ezekiel, and Daniel.  Fall 2010

BIB 4331  
Exodus  
Extensive analysis of Exodus, including history, language, and theology. A thorough study of the priesthood, tabernacle, and sacrificial system.  Fall 2009

BIB 4332  
Daniel and Apocalyptic Literature  
An intensive exegesis of Daniel and other apocalyptic works. Particular attention to the Messiah and His Kingdom.  Fall 2009

BIB 4340  
Isaiah  
An in-depth analysis of the prophecy of Isaiah. Special attention to the historical setting, the prophecies of the immediate and extended future of the covenant people; the Christological content of the Messianic prophecies; and the ethical content of the book. Spring 2011

BIB 4350  
Synoptic Gospels  
An intensive study of Matthew, Mark, and Luke, including background, contemporary views and themes.  Fall 2009
BIB 4355
Romans
A study of Paul, the city of Rome, and the letter to the Romans. Fall 2010

BIB 4356
I Corinthians
An intensive study of this Pauline letter, including background, themes and theology. Spring 2011

BIB 4360
Revelation
An intensive study of Revelation. Detailed analysis of the entire book, prophetic application of the various symbols employed in its imagery, and its practical lessons. Fall 2009

BIO 1400
Biology for General Education
A survey of the basic processes and principles of plant and animal life. Designed to acquaint students with their environment and their dependence upon living things. For students not planning to major in biology or those who feel they need an introductory course before taking other courses in the biological field. Required in all curricula unless otherwise specified. Lecture and lab. Fall, Spring

BIO 1410
Molecular and Cellular Biology
The molecular and cellular basis of the structure and function of organisms, including the role of major biological molecules in cellular structures, metabolism, protein expression, and the genetics of reproduction. Lab includes experimental design and automated data collection and analysis. Includes current trends in cellular biology research, and an introduction to scientific literature and writing. Lecture and lab. Prerequisites: CHM 1400 or CHM 1410, high school biology and science ACT score of 19 or above or BIO 1400. Spring

BIO 2300
Introduction to Nutrition
Principles and application of nutrition information to everyday living. Fall

BIO 2320
Current Issues in Biology
A required course for Biology and Biotechnology majors. An introduction to current topics in biological and biotechnological sciences, including bioethics, developing biotechnologies, and career opportunities. Prerequisites: BIO 1400 or BIO 1410. Fall

BIO 2402
Human Anatomy and Physiology
A study of the structure and function of the human body. Designed for biology majors, dental hygiene majors, radiology majors, pre-medical and nursing majors, home economics majors, physical education majors, and anyone desiring additional work in science. Lecture and lab. Prerequisite: BIO 1400 with a grade of C or higher. Spring
BIO 2410
Human Anatomy and Physiology I
A study of structure-function relationships in skeletal, muscular, nervous and integumentary systems. Lecture and lab. Prerequisites: BIO 1400 or 1410 with a grade of C or higher. Fall

BIO 2411
Human Anatomy and Physiology II
A continuation of BIO 2410 including endocrine, cardiovascular, respiratory, digestive, excretory, and reproductive systems. Lecture and lab (lab emphasis on physiologic testing). Prerequisite: BIO 1400 or 1410 with a grade of C or higher. Spring

BIO 2420
Botany
Includes a study of the structure, function, life history, and importance of the nonvascular and vascular plants. Three hours lecture and one three hour lab per week. Prerequisites: BIO 1400, BIO 1410 or consent of the instructor. Spring

BIO 2425
Zoology
Includes a survey of the major animal phyla: morphology, physiology, ecology, behavior and life histories. Three hours lecture and one three hour lab per week. Prerequisites: BIO 1400, BIO 1410 or consent of the instructor. Fall

BIO 3100, 3101, 3102
Special Problems in Science
Laboratory-based research over a topic approved by the faculty supervisor. May include participation in mentored fellowship programs. Prerequisite: Consent of advisor, faculty supervisor, and department chair. Fall, Spring

BIO 3120
Medical Terminology
A course for health care field majors. Fundamentals of medical etymology and abbreviations as a basis for building a professional vocabulary. Independent study. Prerequisite: BIO 1400 or BIO 1410. Fall

BIO 3340
Biotechnology
A study of biotechnology applications including regulation and current trends in biotech product development. Covers topics such as genetically modified foods, pharmacogenomics, genetic services, and diagnostic testing. Prerequisites: BIO 1410, BIO 3410. Alternating Spring

BIO 3400
Microbiology
A study of bacteria and viruses including classification, physiology, pathology, immunology and food microbiology. Practical lab applications include exercises in the survey of microbes in the environment, prevention of the spread of microbes, and methods of treatment of microbial diseases. Lab includes current topics in microbiology and in-depth scientific writing exercises, including the preparation of a report and presentation
over a current microbiology topic. Lecture and lab. Prerequisites: BIO 1410 with a “C” or higher. Spring

**BIO 3410**  
**Genetics**  
A course for science majors and/or students entering health care professional programs. Includes a review of structure and function of DNA, transcription and translation. Includes principles of heredity, pedigree analysis, molecular basis of inheritance, gene expression and regulation, mutations and DNA repair, genetic diseases, genetic basis of development, recombinant DNA technology, genomics, quantitative and population genetics with an emphasis on human genetics. The laboratory component includes traditional genetic research methods in addition to molecular biology and bioinformatics applications. Requires an in-depth report and presentation over a current topic in genetics. Prerequisites: BIO 1410. Fall 2010

**BIO 3430**  
**Cell Biology**  
An in-depth study of the processes in the life of the cell, including protein synthesis and intracellular trafficking, intercellular communication, membrane potential, differentiation, cell cycle control and cell division. Lecture and lab. Prerequisites: BIO 1410 and CHM 1420 or CHM 3402. Spring 2011

**BIO 3440**  
**Ecology**  
Relation of organisms to their environment. The composition, structure, function and distribution of populations, communities, and ecosystems. Lecture and lab. Prerequisites: BIO 1400 or BIO 1410, MTH 2311.

**BIO 3450**  
**Bioinformatics**  
Bioinformatics is a discipline that bridges biology and information sciences. This is an investigative course that introduces students to databases and software used to analyze DNA, proteins, drugs, and genomic data. The course includes hands on applications to biomedical and biotechnology applications. Prerequisites: BIO 1410, BIO 3410, and CPS 2304. Fall 2010

**BIO 3460**  
**Molecular Forensics**  
Includes a broad introduction to modern forensic molecular technologies with an emphasis on DNA profiling. Applications of population genetics, statistical interpretation, and national DNA databases are included. Lecture and lab. Prerequisites: BIO 1410, BIO 3410, CHM 1420 or CHM 3402. Fall 2011

**BIO 3470**  
**Histology**  
A course for health science majors. Provides an introduction to the structure and function of tissues and their physiological roles in human health. Includes histological methods, microscopic anatomy of cells, and applications of molecular markers to identify development, differentiation and pathological stages of cells. Prerequisites: BIO 1410 and BIO 2411, BIO 2402 or BIO 2410. Fall 2010
BIO 4310
Neuroscience
Designed for biology majors and/or students entering health care programs. The course includes the structural and functional relationship of the human nervous system at the cellular and systemic level, including sensory input and response, transduction of neural signals, and circuits involved in cognition and coordination of movement. Prerequisites: BIO 1410, CHM 1420 or CHM 3402 with a grade of C of higher. Spring 2011

BIO 4320
General Pharmacology
An introduction to pharmacology, primarily for students in allied health fields. Content includes an introduction to terminology, pharmacokinetics, pharmacodynamics, drug category, use, and side effects. Prerequisites: BIO 1410, BIO 3430, and CHM 1420 or CHM 3402. Alternating Spring

BIO 4330
Immunology
Covers the cells and molecules involved in the complex immune response, including innate and acquired immunity, principles of vaccine development, immune diseases, and immune tolerance. Prerequisites: BIO 1410, BIO 3410, and CHM 1420 or CHM 3402. Alternating Spring

BIO 4420
Molecular Biology
An in-depth application based course to train students in the developing technologies of molecular biology, including cloning, gene expression, polymerase chain reaction, and array-based technologies. Lecture and lab. Prerequisites: BIO 1410, BIO 3410, CHM 1420 or CHM 3402. Alternating Fall

BUS 2311
Business Statistics
Topics in mathematical statistics as applied to business, including frequency distribution, descriptive statistics, interpretation of data, and probability. Prerequisite: MTH 1303 with a grade of C or higher. Fall

BUS 3303
Legal Environment of Business
A study of the legal issues affecting business decision-making including contracts, agency, negotiable instruments, property, wills, deeds, mortgages, employer-employee relations, bailments, and carriers. Prerequisites: BUS 2300 and ECO 2300 with a grade of C or higher. Fall

BUS 3305
Financial Management
A study of the basic principles of the financial management of an organization, including valuation of the organization, working capital management, and capital budgeting. Prerequisites: BUS 2301, 2311, CPS 2304, and ECO 2301 with a grade of C or higher. Fall
BUS 3323
Business Communications

Oral and written communications for the modern office environment. Practice in composing various types of letters, written and oral business reports, and employment messages. Prerequisites: PED 1300 or BUS 2300 and ENG 1300 with a grade of C or higher. Fall

BUS 4100, 4101, 4102
Special Problems in Business

Students who enroll in this course will work with a member of the business faculty to customize a course relevant to the student’s career aspirations or present occupational requirements. As an independent study, the course may emphasize relevant business readings, practical business experiences, or both. Students will complete various assignments intended to gauge the quality of the educational experience. Students will be allowed to take up to thee of these one hour courses. Fall, Spring

BUS 4310
International Business

A study of the operations of multinational firms and international business transactions, including theories and practices in international trade, strategies of multinational firm, and issues in managing international operations. Prerequisites: MGT 3300 and MKT 3300 with a grade of C or higher. Spring

CBC 1101
Prior Learning Assessment Orientation

Students explore the process of preparing and presenting non-collegiate prior-learning experiences for academic credit. Available only to PACE students seeking a baccalaureate degree. On Demand

CBC 1200
PACE Orientation

An orientation designed to acquaint students with college policies and procedures. Students learn basic study skills with emphasis on adult learning styles and strategies. This course is required of all students entering the PACE program for the first time. Fall, Spring

CBC 1201
Principles of Collegiate Success

Principles of Collegiate Success is a course designed to assist new students in their adjustment to college life, develop an understanding of the learning process and academic success skills, and foster a sense of personal and social responsibility. The course is required of all first time entering freshman, transfer students who have earned less than 15 hours of college credit, or as required by the CBC Admissions Committee. This course is required each semester until the student has made a minimum grade of “D.” Fall, Spring
CHM 1300
Chemistry Fundamentals

Designed for students with little or no previous chemistry instruction. Provides a basic understanding of chemistry to prepare the student for further study in the field of chemistry. This course does not satisfy science degree requirements. Lecture only. Fall

CHM 1400
College Chemistry I

Principles of general chemistry including quantitative analysis, atomic structure, nomenclature, chemical bonding, chemical reactions and equations, electron configuration, molecular structure, and acid/base chemistry. Lecture and lab. Prerequisite: Satisfactory score on departmental chemistry placement exam and either CHM 1300 (Grade of C or higher), MTH 1303 (Grade of C or higher), or a Math ACT Subscore of 19. Fall

CHM 1401
College Chemistry II

A continuation of College Chemistry I, including acid/base chemistry, liquids and solids, thermodynamics, gases, equilibria, kinetics, and electrochemistry. Lecture and lab. Prerequisite: CHM 1400 with a grade of C or higher. Spring

CHM 1404
Chemistry Fundamentals with Lab

A survey of the basic principles of matter, the metric system, nuclear and organic chemistry, and macromolecules. For non-chemistry majors or those requiring an introductory chemistry course prior to taking other courses in the chemistry field. Lecture and lab.

CHM 1410
Physiological Chemistry I

A study of general chemistry related to physiology. Includes basic quantitative analysis, physical states and properties, atomic structure, periodicity, chemical equations, gases, liquids and solids, acid/base chemistry, electrochemistry and radioactivity. Lecture and lab. Prerequisites: CHM 1300 with a grade of C or higher or high school chemistry. Fall

CHM 1420
Physiological Chemistry II

A continuation of Physiological Chemistry I with an emphasis on organic molecules and related physiological processes. Introduces structure and reactions of organic molecules, including a survey of the functional groups, major organic biological molecules, and related biochemical processes. Lecture and lab. Prerequisite: CHM 1400 or CHM 1410 with a grade of C or higher. Spring

CHM 2401
Organic Chemistry I

Focuses on structure, physical properties, chemical reactions, and stereochemistry of hydrocarbon based organic molecules. Introduces reaction mechanisms to explain chemical behavior. Lab techniques demonstrate chemical properties covered in the lecture and develop scientific reasoning skills. Lecture and lab. Prerequisite CHM 1401 or CHM 1410 with a grade C or higher. Fall
CHM 3100, 3101, 3102
Experimental Techniques in Chemistry

Students participate in a research project in an area of Biochemistry of interest to the student and supervising faculty. Prerequisite: Consent of the instructor. Fall, Spring

CHM 3300
Organic Spectroscopy

Introduction to the principles and interpretation of modern methods of molecular structure determination, including mass spectroscopy, infrared spectroscopy & NMR spectroscopy. Prerequisite CHM 1420 with a grade C or higher. Fall 2010

CHM 3402
Organic Chemistry II

Expansion of CHM 2401 to introduce the chemistry of common organic functional groups including aromatics, alcohols, ethers, carbonyl compounds, and amines. Lecture emphasizes reaction mechanisms and chemical properties. Lab techniques demonstrate chemical properties covered in the lecture and develop scientific reasoning skills. Lecture and lab. Prerequisite CHM 2401 with a grade C or higher. Spring

CHM 3420
Biochemistry

A comprehensive overview of the structure and function of biomolecules, including proteins, enzymes, catalysis, metabolism, molecular biology, and regulatory mechanisms. Lecture and lab. Prerequisites: BIO 1410 and CHM 1420 or CHM 3402 with a grade C or higher.

CHM 4300
Environmental Chemistry

The course explores the chemistry of the environment with particular emphasis on the atmosphere and the contribution of commercial and consumer pollution. Prerequisites: CHM 1420 or CHM 3402 with a grade C or higher.

COU 1301
Introduction to Social Services

An introduction to the basic values, attitudes, knowledge, skills, and techniques common to all social service work as well as the various career options available in social services. Hands-on work in the community may also be required. Fall

COU 2100, 2101, 2102
Readings: Counseling Issues

Contemporary readings in the field of biblical counseling. Three hours maximum. Prerequisite: Department chair approval. On Demand

COU 2310
Fundamentals of Christian Counseling

An introduction to the integration of psychology and Christian theology. Emphasis is given to an explicitly Christian view of human nature and major theological doctrines as they apply to human problems. The work of seminal Christian psychologists, counselors, educators, and leaders are also examined. Prerequisites: PSY 1300 with a grade of C or higher. Fall
COU 3303
**Small Group Dynamics and Counseling**

An overview of basic group dynamics and the various types of therapeutic groups. It will provide a review of resources and practical training in basic skills used in facilitating community support groups and church-related small group ministries. Prerequisites: COU 1301 and PSY 1300 with a “C” or higher. Fall 2009

COU 3310
**Crisis Intervention**

A study of crisis counseling and intervention. Emphasis will be on understanding crisis intervention strategies and skills and on understanding how to approach special problems such as domestic violence, drug & alcohol abuse, suicide, sexual assault and more. Fall 2009

COU 3330
**Marriage and Family Counseling**

An introduction to premarital, marital, and family counseling. Attention will focus on major models of family relations, communication, common problems faced by couples and families, and methods of intervention. Prerequisites: PSY 1300 and COU 1301 with a grade of C or higher. Spring 2011

COU 3340
**Basic Counseling Skills**

An introduction to the essential skills needed for effective counseling. Students will spend a significant amount of class time practicing basic counseling skills through role-playing and real-life interactions with critical review by both peers and the instructor. Students may also review video counseling vignettes and written case studies. Spring

COU 4360
**Counseling Theories and Techniques**

A survey of advanced classical and contemporary counseling theories and their respective techniques. Models are evaluated from a Christian perspective. Prerequisite COU 3340 with a grade of C or higher or permission from the Department Chair. Fall 2010

COU 4430
**Social Services Internship**

An unpaid, directed field experience. Students are assigned to an approved organization or agency for a period of 120 hours. Students are accountable to both their instructor and field supervisor(s). Each internship is unique and is tailored to the needs and interests of both the student and the participating organization or agency. The primary objective is for students to serve people with some sort of need and to do so face-to-face whenever possible. The specific goals, activities, and work hours are determined by the student and their field supervisor(s). Prerequisite: junior or senior in good academic standing. Spring, Summer, Fall

COU 4440
**Social Services Practicum**

An unpaid, directed field experience. Students may combine experience from several agencies and/or group travel to accumulate 120 hours of experience. Students are accountable to both their instructor and field supervisor(s). Each practicum is unique and
will be tailored to the needs and interests of both the student and the participating organizations or agencies. The primary objective is for students to serve people with some sort of need and to do so face-to-face whenever possible. The specific goals, activities, and work hours are determined by the student and their field supervisor(s). Prerequisite: junior or senior in good academic standing. Spring, Summer, Fall

CPS 2304
Computer Applications
A study and practice of word processing, financial spreadsheet, and presentation software on personal computers. Fall, Spring

CPS 3300
Management Information Systems
An introduction to the development, implementation, and management of information systems throughout the organization. Examines the integration of information systems as a tool in business operations and decision-making. Prerequisites: BUS 2300 and CPS 2304 with a grade of C or higher. Fall

ECO 2300
Principles of Economics I: Macroeconomics
A study of national and international issues in economics, including inflation, unemployment, monetary and fiscal policy, and international trade. Prerequisite: MTH 1303 with a grade of C or higher. Fall

ECO 2301
Principles of Economics II: Microeconomics
A study of consumer and producer behavior, including production and cost theory, market structure, and government's role in business operation. Prerequisite: MTH 1303 with a grade of C or higher. Spring

EDU 1310
The Education Profession
A survey of the education profession, including educational career orientation, school organization and curriculum, analysis of the educator's characteristics and role, contemporary issues in education, certification processes, and twenty hours of field experience.

EDU 1330
Basic Educational Technology Skills.
This course will provide an introduction to computer and information technology. Students will develop competency in word processing, spreadsheets, desktop publishing, presentation software, and Internet utilization through laboratory activities.

EDU 3330
Foundations of Early Childhood Education
A study of the various roles assumed by teachers in the field of early childhood education.
ENG 0300

English Fundamentals

A study of the fundamentals of English grammar and the skills needed for college level writing. An assessment test of basics in written English is given at the beginning and end of the term. Students, who have an ACT English Subscore below 19, are required to take the course. This course does not count toward degree requirements. Fall, Spring

ENG 1300

Composition I

Reading and writing essays for a variety of purposes and audiences. Study of grammar incorporated into the study of composition. Competency of standard written English skills assessed at beginning and end of term. Prerequisite: Minimum of 19 on the ACT English Subscore or completion of ENG 0300 with grade of C or higher. Fall, Spring

ENG 1301

Composition II

A continued study of effective composition with an emphasis on persuasion and scholarly research. Research papers required. Prerequisite: ENG 1300 with a grade of C or higher. Fall, Spring

ENG 2300

English Literature I

British literature from the Old English period through the late 17th century. Literary themes, authors, and historical influences on the literature studied. Prerequisite: ENG 1300 with a grade of C or higher. Spring

ENG 2301

English Literature II

British literature from the 18th century to the present. Literary themes, authors, and historical influences on the literature studied. Pre-requisite: ENG 1300 with a grade of C or higher. Fall, Spring

ENG 2302

World Literature I

A survey of world literature from the ancient world through the Renaissance, with readings from various cultures. Particular focus given to the expression of human experience through the study of thematic trends, cultural developments, and the worldview of major selections. Includes reading from the Ancient Period, the Middle Ages, and the Renaissance. Prerequisite: ENG 1300 with a grade of C or higher. Fall

ENG 2303

World Literature II

A survey of world literature from the Enlightenment through Modernism. Particular attention given to the understanding of thematic trends, cultural developments, and comparative analysis of the major authors. Includes readings from the Enlightenment, the Romantic Period, Realism, Naturalism, and the Modern Era. Prerequisite: ENG 1300 with a grade of C or higher. Fall, Spring
ENG 2340
Introduction to Fiction
A thematic study of short fiction from various cultures with focus on literary themes, genre conventions, historical and cultural influences, and philosophical values. Prerequisite: ENG 1300 with a grade of C or higher. Spring

ENG 3300
American Literature I
A survey of American literature from the discovery period to the Civil War with focus on literary themes, major authors, and historical influences on the development of an American identity in literature. Prerequisite: ENG 1300 with a grade of C or higher. Fall

ENG 3301
American Literature II
A survey of American literature in the 19th and 20th centuries with focus on literary themes, major authors, and historical influences on the development of literature. Prerequisite: ENG 1300 with a grade of C or higher. Spring

ENG 3320
Creative Writing
A writing workshop where students work closely with the instructor and peers in preparing and revising original works of nonfiction, fiction, and poetry, with an emphasis on the value of revision. Prerequisites: Upper division standing or permission from the Department Chair. On Demand.

ENG 3330
Technical Writing
This course places emphasis on scientific literature and investigative research using current databases and reliable sources. The course includes medical and scientific terminology from developing fields and provides practice in discerning reliable sources, writing in different scientific formats, and oral presentation of scientific material. Prerequisites: BIO 1400 or BIO 1410, ENG 1301, CPS 2304. Fall

ENG 4300
Research Methods
A study of academic and professional forms of writing, exploring a variety of research methods and materials, requiring both individual and group tasks. Major research project required. Prerequisite: Upper division standing or permission of the Department Chair. On Demand

ENG 4330
Topics in Literature
A directed, intensive study of a particular literary subject (a theme, issue, or writer selected by the instructor with student input), culminating in a major paper. Online delivery with three face-to-face sessions between student and instructor. Prerequisites: ENG 1300, 1301, 2302/2303, and upper division standing. On Demand
GEO 1301  
Principles of Geography  
A survey of the basic concepts of geography. An introduction to the study of geography as a whole, including physical, cultural, political, economic and regional geography. Emphasis on man’s relationship to his environment. Fall

GRK 1300  
New Testament Greek Grammar I  
A beginner’s course designed to familiarize the student with the basic elements of the language; stressing vocabulary, conjunction, declension, composition, and translation. Fall

GRK 1301  
New Testament Greek Grammar II  
A continuation of GRK 1300. Prerequisite: GRK 1300 with a grade of C or higher. Spring

GRK 2310  
Greek Exegesis I  
A second-year Greek course designed to provide wide exposure to many New Testament texts and to introduce students to intermediate Greek grammar, building upon basic grammar and moving toward exegesis and application. Prerequisite: GRK 1301 with a grade of C or higher. Fall

GRK 2311  
Greek Exegesis II  
A continuation of GRK 2310. Prerequisite: GRK 2310 with a grade of C or higher. Spring

HIS 1300  
World History I  
The achievements and contributions of humanities struggle, from pre-history to the early modern period, in the evolution of global civilizations. Fall, Spring

HIS 1301  
World History II

MTH 0301
Beginning Algebra
Designed to aid those students with insufficient background to be successful in Intermediate Algebra. This course introduces students to fundamental algebraic concepts. Concepts covered include word problems, fractions, graphing, linear equations, factoring, operations with real numbers and polynomials. The course includes lecture and activity with a one hour per week lab attendance requirement. This course does not count toward degree requirements but computes in semester and cumulative grade point averages. Students with a ACT math score less than 17 are advised to take this course. Students entering MTH 0300 Intermediate Algebra will take a placement test. A failing score on the placement exam will place the student in MTH 0301 Beginning Algebra. Fall, Spring

MTH 0300
Intermediate Algebra
Introduction to elementary concepts of sets, relations and numbers. Includes a study of fractions, factoring, roots, linear and quadratic equations, functions and graphs. This course does not count towards degree requirements. Students who have a math sub-score of less than 19 on the ACT must take this course before enrolling in MTH 1303. Fall, Spring

100
MTH 0400  
Algebra Fundamentals

A remedial course designed specifically to prepare PACE students for MTH 1303 College Algebra. This course includes but is not limited to the following concepts: basic mathematics, operations of signed numbers, polynomials and exponents. Also, the fundamental operations of Intermediate Algebra are studied to include but not be limited to real numbers, radical equations, linear equations and graphs. Students must earn a grade of C or higher in this course to take MTH 1303 College Algebra.

MTH 1302  
Plane Trigonometry

Reviews the basic ideas of geometry necessary to the development of trigonometry. Examines trigonometric functions, identities, equations, graphs, and the solution of triangles. Prerequisite: MTH 1303 with a grade of C or higher. Spring

MTH 1303  
College Algebra

Basic concepts of sets and set relations, the fundamental properties of real numbers, fundamental processes, equations, inequalities, absolute value, graphs, and functions. Prerequisite: Minimum math subscore of 19 on the ACT or MTH 0300 with a grade of C or higher. Fall, Spring

MTH 1370  
Business Calculus

Exponential functions, mathematics of finance; systems of linear equations, linear inequalities and linear programming; limits, derivatives, and integrals; business calculus applications including marginal analysis, extrema and concavity of functions of one and several variables. Prerequisite: MTH 1303 with a grade of C or higher.

MTH 1501  
Calculus I

Covers the concepts of functions, limits, analytic geometry, derivatives, and integrals. Prerequisites: MTH 1302 and 1303 with a grade of C or higher or permission of the Department Chair.

MTH 2311  
Elementary Statistics

Topics in mathematical statistics, including frequency distribution, descriptive statistics, interpretation of data, and probability are discussed. Prerequisite: MTH 1303 with a grade of C or higher.

MTH 2500  
Calculus II

A continuation of MTH 1501 with emphasis on differentiation and integration techniques, polar coordinates, conics, transcendental functions, and series. Prerequisite: MTH 1501 with a grade of C or higher or permission of the Department Chair.
MUC 1101, 3105
College Choir
A group of mixed voices chosen from the best talent on campus. Limited membership, but open to all students subject to the approval of the director on the basis of vocal qualification and balance of parts in the organization.
