Camp Robinson Information

Directions:
- Driving **Westbound** on I-40 (from Little Rock), take exit 150, the Burns Park exit. Drive to the stop sign (ignore the large highway direction signs for truck and convoy traffic). Turn left at the stop sign, drive a short block, and turn right onto Military Road.

- Driving **Eastbound** on I-40 (from Conway), take exit 150, turn left at the stop sign, and you will be on Military Road.

- Military Road will take you directly to the main gate of Camp Robinson. You will cross railroad tracks, MacArthur Drive, pass by the Starlight Diner, go through a neighborhood, and arrive at the gate.

- To reach **Chappell Armory**, upon entering the gate, you'll come to the first stop sign and take an immediate right onto South Dakota. Chappell Armory will be the first building on your right.

- To reach the **GI Building**, upon entering the gate, you’ll go ‘straight’ through the first stop sign, following the curvature of the road around to the right. (You'll pass in front of the aircraft & flag display you see from the stop sign.) Continue on that road until you reach a 4-way stop. You’ll turn left at the stop sign onto Missouri. Follow Missouri through the golf course and past several buildings. The GI Building (17303) will be on your left at the very back of the parking lot. (You’ll see the large parking lot first and then see the building once you turn in.)
