Students may not combine a Biology minor with a Science or Chemistry minor.

**Biology Core - 20 hrs**
- ____ BIO 1410 Molecular & Cellular
- ____ BIO 2420 Biology
- ____ BIO 2425 Zoology
- ____ BIO 3410 Genetics
- ____ BIO 3430 Cell Biology

**Biology Elective – 4 hrs**
- ____ BIO 2120 Medical Terminology
- ____ BIO 3340 Biotechnology
  - or BIO 3400 Microbiology
  - or BIO 3450 Bioinformatics
  - or BIO 3460 Molecular Forensics
  - or BIO 3470 Histology
  - or BIO 4310 Neuroscience
  - or BIO 4320 General Pharmacology
  - or BIO 4330 Immunology
  - or BIO 4420 Molecular Biology

**Additional requirements** (Many of these courses are required as prerequisites for the Biology courses listed above.)
- ____ CHM 1400 College Chemistry I or CHM 1410 Physiological Chemistry I
- ____ CHM 1401 College Chemistry II or CHM 1420 Physiological Chemistry II
- ____ PHY 1400 Physics I

**24 hours total**
