- Marketing

BUSINESS

The academic mission of the Business Department at CBC is to prepare our graduates to take their places as ethical, productive employees and entrepreneurs in a global business environment. Further, graduates of the Business Department at CBC will be prepared for advanced studies in graduate or professional programs. We seek to accomplish this mission through a program characterized by academic rigor and founded in Christian truth

Mission

To develop business leaders with a heart for Christ. This means we set the bar high, providing an education that not only equips the mind but encourages the spirit.

97% Graduation Rate
98% get a Job directly after Graduation

EDUCATION

“The education department is staffed with faculty that have K-12 teaching experience, as well Dept. of Education experience. This allows us to be able to relate with real world experiences and public-school guidelines to prepare Day One Ready Teachers.”

-Delena Thompson (Head of Education Department)

Majors:

- Elementary Education BSE
- Middle Level Education BSE
- Secondary Level English-Language Arts BSE
- Secondary Level Social Studies BSE
- Health and Physical Education BSE

Minors:

- Recreation Leadership

Department Chair:
Dr. Delena Thompson
dthompson@cbc.edu
501-205-8909

KINESIOLOGY

EXERCISE SCIENCE

- Prepares a student for career opportunities related to health and wellness in schools, communities, hospitals, commercial health and fitness clubs and for the state, federal and corporate wellness programs. The program also seeks to fulfill prerequisites to professional schools in allied health fields (for example, physical therapy and occupational therapy).

Department Chair:
Dr. Aaron Brister
abrister@cbc.edu
501-205-8797

SPORTS MANAGEMENT

- Iterative approaches to corporate strategy
- Establish a management framework from the inside
- Prepares students for career opportunities in various areas of sports management. The student will receive both a strong background in sports and a strong business component, allowing him or her to develop the competencies required for management level positions in organized sports. Professional sport teams, college athletic departments, sports communication and public relations firms, sports agencies, health and fitness facilities, and parks and recreation departments are some of the businesses and organizations for which graduates will be qualified to work.

Majors:

- Biology BA
- Biology BS
- Health Science, BS

Minors:

- Biology
- Chemistry
- Science

Department Chair:

Judy Gabbard
jgabbard@cbc.edu

7

NATURAL SCIENCES/ MATHEMATICS

- The faculty members of the Natural Sciences & Mathematics Department at Central Baptist College have over 100 combined years of teaching and professional experience. They are committed to helping all students achieve their potential and finding God's plan for their careers.
- Trained professionals in biomedical and health care fields are in high demand. The Natural Sciences & Mathematics Department seeks to prepare students for professional programs of study related to health care and/or research and careers that require skills in the sciences and mathematics.

Over 85% of graduates have gone to med school, vet school, nursing school, pharmacy school, lab tech programs, or allied health programs (PT and OT)

Department Chair:
Dr. Deandrea Bass-Carrigan
dbass@cbc.edu
501-205-8836

Behavioral Science Department Degrees:

- Psychology and Social Services
- Psychology and Counseling

BEHAVIORAL SCIENCES

Graduates will be able to demonstrate the following:

- An ability to integrate sound psychology with sound theology.
- A working knowledge of major psychological, emotional, and relational problems.
- An ability to assist people with various psychological, emotional, and relational problems.
- An ability to assist people in times of crisis.
- An understanding of how people interact in marriages, families, and groups.

Majors:

- Bachelor of Arts
- Bachelor of Science in Bible and Missions

Minors:

- Pastoral Studies
- Religious Education
- Youth Ministry

The academic purpose of the Bible Department at Central Baptist College is to provide solid biblical training which is demanded for effective ministry, to develop leadership and ministry skills within persons called to church and agency ministries, and to direct students toward the highest levels of integrity and character.

Department Chair:
Dr. Virgil Porter
vporter@cbc.edu
501-205-8842

Department Chair:
Ann Gardner
agardner@cbc.edu
501-205-8802

COMMUNICATIONS

- The Communication Department combines theory and practical experience in the areas of Journalism, Multimedia, and Oral Communication.
- Students enhance their studies by serving on Student Media newspaper, web, yearbook, or radio staffs and completing an internship with an Arkansas professional media organization.

Majors:

- **BS Journalism**
- **BA Journalism**
- **BA Multimedia Communications**

Minors:

- **Journalism**
- **Multimedia Communication**

Dr. Earl Johnson
Associate
Professor of
Music
ejohnson@cbc.edu
(501) 205-8816

Majors:

- Music BA
- Worship Arts, BS

Minors:

- Music
- Worship Arts
- Musical Theatre

FINE ARTS

The Fine Arts Department prepares students for careers in performance, teaching, music ministry, and other music-related careers.

The Fine Arts Department develops students' overall musicianship, in a Christ-centered environment, through:

1. Applied performance (private lessons on piano, voice, or guitar), culminating in the Senior recital.
2. Group performance.
3. The practice of aural dictation, sight singing, harmonic analysis, part-writing and beginning composition exercises.
4. The study of classical and sacred music from all periods of music history, and, for those taking musical theatre courses, Broadway-style music.

Department Chair:
Dr. Blake Duffield
bduffield@cbc.edu
501-205-8917

SOCIAL STUDIES

The mission of the Social Studies Department is to equip students with sufficient skills to be contributing citizens of the world while undergoing preparation for the world to come. This will include - but is not limited to - the acquisition of and a demonstrated ability to make informed decisions for the public good while living in a culturally diverse and interdependent world. We teach history as HIS-story - and, it never changes.

Majors:

- History BA
- History BS

Minors:

- History minor

LITERATURE & LANGUAGE ARTS

The Literature and Language Arts Department seeks to help students develop an appreciation for literature and enhance their ability to speak and write effectively.

Major: English, BA
Minor: English, Minor

Traci Caldwell
