Important areas to know are:

- **Billing** – Where you go to view what your total charges for a current term or all terms. Will NOT show any pending Financial Aid!
- **Financial Aid** – Shows the Financial Aid and Scholarships/Grants that are accepted for an award year. Does NOT display any Aid that was declined.
- **Schedule** – View your Official Schedule for the current term. Includes up to date information about room number, class time, and instructor.
- **1098T Form** – PDF copy of your 1098T tax form. Required document to report when preparing taxes each year.
- **Online Payment** – Allows you to make a payment on your account using a Credit/Debit card or ACH payment from a bank.
- **Update Address/Phone** – Changes your contact address or phone number. Extremely important to keep up to date for our emergency contact system, contacts concerning refund checks, and for mailing tax documents. Update this area as soon as possible if any of your contact information changes!
